ARTICLE 1 – Preamble

Section 1 The purpose of this Agreement is to maintain in each Agency a harmonious relationship between the Association, the Company and the Union and to enable the Association and the Company to prosper and operate efficiently under competitive conditions, while providing Agents and Public Relations Representatives (PR Reps) with good compensation and decent working conditions; to provide for an amicable method of settling differences which may from time to time arise; and to promote the mutual interest of the Parties.

Section 2 There shall be no discrimination, interference, restriction or coercion exercised or practiced with respect to any associates in any matters of hiring, training, promotion, transfer, lay-off, discharge or otherwise by reason of race, creed, color, national origin, political or religious affiliation, sex or marital status, sexual orientation or membership or activity in the Union.

Section 3 (a) Nothing contained herein shall be construed to create the relationship of Employer and employee between the Association of the Company and the Agent or PR Rep. The Agent may exercise - the Agent/PR Rep's own judgment as to the time and manner of performing services, but the Association may from time to time prescribe rules and regulations respecting the conduct of the business and the results required, while not interfering with such freedom of action of the Agent/PR Rep. The Agent/PR Rep in the performance of any and all of Agent/PR Rep's obligations and duties hereunder shall be, and is acting for and on Agent/PR Rep's own behalf and not as an employee, partner, joint-venturer or associate, and shall refrain from holding the Agent/PR Rep out as an employee.

- (b) While nothing contained herein shall be construed to create the relationship of employer and employee between the Agents or PR Representatives and the Company, the Company recognizes that the Agents and the PR Representatives have constituted and appointed or authorized the Union as their agent to negotiate and administer the terms and conditions of this Agreement. Each Agent and PR Representative confirms that he/she has authorized the Union to act as his/her agent and this authorization shall remain in full force and effect until notice of revocation shall have been given to the Union and the Company in writing.
- (c) The parties recognize the company's desire to maintain its reputation as a one hundred percent (100%) unionized environment. The union recognizes Supervising Agents (SA), General Agents (GA), Master General Agents (MGA), Regional General Agents (RGA), Provincial General Agents (PGA), PR Directors and PR Managers as having management functions, which would normally exclude them from Union membership. In order to protect the reputation, the Union agrees to accept permit fees equivalent to Union dues from the SAs, GAs, MGAs, RGAs, PGAs, PR Directors and PR Managers. These Manager Agents shall have no rights under the Union Constitution or By-laws. These Manager Agents shall have no rights under the Collective Agreement.
- (d) The Company/Association will provide the names of such managers to the Union monthly through monthly dues checkoff.

Section 4

- (a) Unless expressly provided for in the text, nothing in this Agreement should be interpreted as renouncing any right or obligation for the Association/Company, the Agent/PR Representative or the Union under vested rights or the Collective Agreement or any applicable legislation current or future, Federal or Provincial.
- (b) Should any provision not provided for under the Collective Agreement be added, rescinded or should the text be changed by error while printing the official wording of the Collective Agreement, the previous provision should remain in effect if the parties cannot agree to a disputed text and the arbitrator should have full jurisdiction to render the appropriate decision under the circumstances.

ARTICLE 2 – Union Security and Recognition

Section 1

The Union is recognized as the sole collective bargaining agent for all Associates (Agents and PR Reps), exclusive of supervisory Associates (Agents/Representatives) with authority to **contract**, transfer, suspend, lay-off, recall, promote, discharge or discipline associates, or effectively to recommend such action if the exercise of such authority is not of merely a routine nature but requires the use of independent judgment.

Section 2

The terms "work" and "associates" include all persons whom the Union is recognized as the bargaining representative.

- Section 3 This Agreement is binding upon the Provincial General Agents representing American Income Life Insurance Company in British Columbia, Alberta, Saskatchewan and Manitoba insofar as it complies with Provincial law.
- Section 4 All new associates shall be informed that their job is represented by the Union, introduced to the UFCW 1518 steward and furnished with a dues check-off. Upon contract activation, Agents/PR Reps will be provided with a copy of the Collective Agreement, a welcome letter from UFCW Local 1518 at each agency office.
- Section 5 The Union shall be furnished with names, classifications, phone numbers, email addresses, and home addresses of all new associates within thirty (30) days, when available to the Company.
- Section 6 All associates covered shall as a condition of contract thirty (30) days from the date of **contract** become and remain members of the Union in good standing. The Association/Company agrees to provide a bulletin board, in a prominent place, for the posting of official Union notices.
- Section 7 Initiation fees, dues and assessments, in accordance with the Union's Constitution, shall be deducted from the pay of all associates in the bargaining unit and transmitted to the Union, once monthly, together with a list of associates from whom such deductions have been made.
- Section 8 The authorization of check-off of dues shall be irrevocable for the term of this Agreement, and shall automatically renew, for successive yearly or applicable contract periods thereafter.
- Section 9 The Association agrees to abide by Union principles in the purchase and use of goods such as printing and publications, with a sensitivity to "made in Canada."
- Section 10 All correspondence transmitted from Association offices shall carry the United Food and Commercial Workers Union label. The Association will post the Union office card furnished by the Union in prominent places.
- Section 11 No Discrimination, No Harassment
The Union and Association/Company recognize the right of those covered by this Collective Agreement to work in an environment free from sexual harassment. The Association/Company shall take such actions as are necessary regarding an Agent/PR Rep engaging in sexual harassment.

Sexual harassment means sexually oriented verbal or physical behaviour which an individual would reasonably find to be unwanted or unwelcome, giving consideration to all surrounding circumstances and which may detrimentally affect the work environment. Such behaviour could include, but is not limited to:

- Touching, patting or other physical contact
- Leering, staring or the making of sexual gestures
- Demands for sexual favours
- Verbal abuse or threats
- Unwanted sexual invitations

- Physical assault of a sexual nature
- Distribution or display of sexual or offensive pictures or material
- Unwanted questions or comments of a sexual nature
- Practical jokes of a sexual nature

To constitute sexual harassment, behaviour may be persistent or may be a single serious incident.

Sexual harassment will often, but need not be accompanied by an expressed or implied threat of reprisal or promise of reward.

Sexual harassment refers to behaviour initiated by both males and females and directed toward members of either sex.

Procedures for Dealing with Sexual Harassment Grievance

Managers and/or supervisors are expected to intervene when there are situations involving potential discrimination or sexual harassment and to deal with inappropriate actions of their Agents/PR Reps.

Where possible, Agents/PR Reps will first attempt to resolve the conflict between themselves. If the conflict cannot be resolved between the affected Agent/PR Rep, the Agent/PR Rep may proceed with a harassment grievance or a complaint.

Any interference with the conduct of an investigation or retaliation against a complainant or witness will, itself, result in disciplinary action.

Appropriate disciplinary action will be taken against Agents/PR Reps who are found guilty of discrimination or sexual harassment.

Complaints that are made in bad faith and are vexatious in nature will be subject to appropriate disciplinary actions.

Sexual harassment grievances/complaints shall be investigated by the Association/Company designate and Union designate and a written report provided within fifteen (15) days of receipt of the complaint. Within ten days of the report being written, the Association/Company shall implement the response, based on the investigation and report. That report and remedial response shall be made available to the complainant, the respondent, and the Union.

Union contact: UFCW Local 1518, Phone: 604-526-1518 or 1-800- 661-3708; Fax: 604-540-1520; Email: **reception@ufcw1518.com**.

In the process of investigation, both respondent and complainant may have union representation.

If the bargaining unit member is not satisfied with the remedy, he/she may, in conjunction with the union designate, put the complaint before an adjudicator/arbitrator who specializes in sexual harassment and/or discrimination. The adjudicator/arbitrator shall work with the parties to achieve a mutually

acceptable resolution and if this is not achieved the adjudicator/arbitrator shall have the right to:

- Dismiss the complaint
- Determine the appropriate level of discipline to be applied
- Make further recommendations as are necessary to provide a final and conclusive settlement of the complaint.

Costs of the adjudicator/arbitrator shall be shared equally between the parties.

The Association/Company and the Union agree to abide by the terms and conditions set forth under applicable Human Rights Code and any further amendments thereto.

UFCW Local 1518 and the Association/Company recognize that there shall be no harassment, discrimination, interference, restriction or correction exercised or practiced with respect to any Agent and/or PR Rep in any matters of hiring, training, promotion, transfer, lay-off, discharge or otherwise by reason of race, creed, colour, national origin, political or religious affiliation, gender or marital status, sexual orientation or membership or activity in the Union.

The Association/Company and Union agree that everyone has a right to work in an environment free of harassment. The parties agree to establish a Joint Policy on a Harassment Free Workplace and procedures and processes on ways to promote, educate and communicate this understanding within the Association/Company. The Joint Consultation Committee under Article 15 Section 4 (b) shall review related issues and make recommendations to the Union and the Association/Company.

It is agreed that the UFCW Local 1518 Harassment Policy will be the foundation for UFCW Local 1518 and the Association/Company policy on Harassment.

ARTICLE 3 – Union Representation

- Section 1 The Association shall recognize the steward(s) named by the Union and shall not discharge, discipline, or otherwise discriminate against such steward(s) for carrying out the duties proper to that position.
- Section 2 Steward(s) may investigate and process grievances or confer with the representatives of the Union.
- Section 3 Representatives of the Union shall have the right to enter work premises to investigate working conditions, grievances, or disputes. They shall have the right to meet with stewards or with associates involved in a dispute. Representatives shall report to the Manager of the agency upon entering such premises.
- Section 4 The Steward shall have no authority to alter, amend, violate or otherwise change any part of this Agreement.

Section 5 All conversations between Office Stewards and grievors pertaining to terms and conditions of contract or pertaining to any matter in the Collective Agreement shall be considered privileged. The Parties agree that this privilege would lend itself to a trust relationship that must exist between Stewards and grievors.

ARTICLE 4 – Company Programs

Section 1 All Agents and PR Reps shall be entitled to participation in Company bonus and recognition programs, including conventions, upon meeting the published requirements.

ARTICLE 5 – Agent Compensation

Section 1 Compensation of agents shall be in conformity with contract. There shall be no changes in the commission schedule without prior notification to the Union. An agent shall have the standard company sixty percent (60%) contract not later than sixty (60) days after date of the contract, or when the month end report is available showing the agent has submitted fifteen thousand dollars (\$15,000) in annualized life premium, whichever is earlier.

Agents who are contracted after the effective date of this Agreement will be contracted as “career agents” under Section 4 of this Article 5.

Section 2 An agent shall not be charged for leads or appointments. An agent may make telephone appointments or pay others to do so for the agent. Payments by an agent shall not constitute a prohibited payment for appointments if such payment is made directly to the person making such appointments on a voluntary basis, even though such effort is organized by the Agency or the Agency contributes to the cost.

Section 3 The provision in the agent’s contract which provides for termination upon thirty (30) days’ notice shall not be exercised if the reason for such termination is the exercise of any right under this contract. Company/Association will provide copies of termination notices to the Union.

Section 4 A career path is established to provide career agents with the opportunity to qualify for commission levels above the standard sixty percent (60%), based on continuous length of service, minimum production, and quality of business. Progression is automatic if the career agent meets or exceeds the guidelines established in this Section 4 and Section 5. Progression may be earlier if the career agent and the PGA involved so agree in writing. The term “minimum production” in this Section 4 means that policies issued through the career agent’s efforts in the twelve (12) month period immediately preceding the applicable anniversary of the career agent’s contract have produced at least seventy-five thousand dollars (\$75,000) of net annualized premiums will be required. (Note: the company’s standard sixty-two and one half percent (62.5%), sixty-seven and one half percent (67.5%) and seventy-two and one half percent (72.5%), **seventy-five (75%), seventy seven and one half percent (77.5%)**)

and eighty percent (80%), contracts referred to below provide varying percentage and duration of commissions, based on the type of policy).

The term “continuous service” as is used in this Agreement means that the Career Agent has been under Contract continuously for the length of time required.

- (a) A career agent with at least one (1) year of continuous service who has met the minimum production requirement will be entitled to receive first year and renewal commissions under the company’s standard 62.5% contract (a “62.5% career agent”), on all business written under the 62.5% contract after that date.
- (b) A sixty-two and one half percent (62.5%) career agent with at least three (3) years of continuous service who has met the minimum production requirement will be entitled to receive first year and renewal commissions under the company’s standard 67.5% contract (a “67.5% career agent”), on all business written under the sixty-seven and one half percent (67.5%) contract after that date. **A career agent with at least two years of continuous service who has \$150,000 of net annualized life premium in the last 12 months can qualify for the 67.5% contract on all business written under that contract after that date. Must maintain \$75,000 a year net life premium to maintain this contract level thereafter.**
- (c) A sixty-seven and one half percent (67.5%) career agent with at least five (5) years of continuous service who has met the minimum production requirements will be entitled to receive first year and renewal commissions under the company’s standard seventy-two and one half percent (72.5%) contract (seventy-two and one half percent “72.5% career agent”), on all business written under the seventy-two and one half percent (72.5%) contract after that date. **A career agent with at least 4 years of continuous service who has \$400,000 of net alp in the last 4 years can progress to the 72.5% contract on all business written under that contract after that date. Must maintain a minimum of \$75,000 net alp per year to maintain the contract thereafter.**
- (d) A career agent with at least five years of continuous service with a minimum production requirement of five hundred thousand dollars (\$500,000) of net **life** annualized premiums within that same five (5) year period will be entitled to receive first year and renewal commissions under the company’s standard 75% contract, on all business written under the 75% contract after that date.

The minimum production standard for the 75% career agent level is one hundred thousand dollars (\$100,000) of net annualized **life** premiums per year **thereafter**.

- (e) A career agent with at least ten (10) years of continuous service and a minimum production requirement of **\$550,000** of net **ALP** (net Annualized **Life** Premium) within the last five (5) years of which \$100,000 must have

been in the last twelve (12) months will be entitled to receive first year and renewal commissions under the company's standard 77.5% contract on all business written under the 77.5% contract after that date. The career agent must also maintain a production minimum of **\$110,000** of net ALP per year thereafter.

- (f) **A career agent with at least 10 years of continuous service and a minimum production requirement of \$750,000 of net ALP (net annualized life premium) within the last five (5) years of which \$150,000 must have been in the last twelve (12) months will be entitled to receive first year and renewal commissions under the company's standard 80.00% contract on all business written under the 80.00% contract after that date. The career agent must also maintain a production minimum of \$150,000 of net ALP per year thereafter to maintain the contract level.**
- (g) The company may return a career agent to the previous level commission contract for failing to meet the minimum requirements established under Section 6 of this Article 5.
- (h) A career agent age fifty-seven (57) and over who is fully vested with ten (10) years of service will have no ALP production minimum standard to maintain contract. All agents with ten (10) years or more of service may not be returned to a lower contract for failing to meet any minimum requirements.

For any agents falling under this section and not producing enough new business to cover all charges made to their account, the Company and/or Association reserves the right to terminate their contract with a 30 day notice.

Section 5

- (A) Subject to the conditions contained in (B) through (F) of this Section 5, the following vesting percentages apply to renewal commissions payable under the commission schedule applicable to the career agent's contract:
 - (i) Career Agents with less than two years of service at time of termination are not eligible for vesting.
 - (ii) If the career agent has completed two (2) years of continuous service, but fewer than three (3), twenty percent (20%) of the commissions earned following the career agent's termination date shall be vested.
 - (iii) If the career agent has completed three (3) years of continuous service, but fewer than four (4), thirty percent (30%) of the commissions earned following the career agent's termination date shall be vested.
 - (iv) If the career agent has completed four (4) years of continuous service, but fewer than five (5), forty percent (40%) of the

commissions earned following the career agent's termination date shall be vested.

- (v) If the career agent has completed five (5) years of continuous service, but fewer than six (6), fifty percent (50%) of the commissions earned following the career agent's termination date shall be vested.
 - (vi) If the career agent has completed six (6) years of continuous service, but fewer than seven (7), sixty percent (60%) of the commissions earned following the career agent's termination date shall be vested.
 - (vii) If the career agent has completed seven (7) years of continuous service, but fewer than eight (8), seventy percent (70%) of the commissions earned following the career agent's termination date shall be vested.
 - (viii) If the career agent has completed eight (8) years of continuous service, but fewer than nine (9), eighty percent (80%) of the commissions earned following the career agent's termination date shall be vested.
 - (ix) If the career agent has completed nine (9) years of continuous service, but fewer than ten (10), ninety percent (90%) of the commissions earned following the career agent's termination date shall be vested.
- (B) In order to be eligible for vesting of commissions, a career agent with fewer than four (4) years of continuous service must have a four (4) month retention rate equal to or greater than company average on the most recent available report at the time of termination. The "4-month retention rate" is the retention rate calculated by the company in the ordinary course of business.
- (C) The termination date for the career agent is the date the career agent ceases work or is given notice of termination, whichever is earlier. Career Agent will return all business records of AIL and/or the PGA through which they were contracted (including leads, referrals, policyholder records, materials, etc.) without retaining copies.
- (D) The vesting schedule in (A) applies only to renewal commissions on policies issued after the execution date of the career agent contract. However, that agent's initial contract date will be used to determine the percentage of vesting applicable to those policies issued after the execution date of the career agent's contract. A career agent who has completed fewer than ten (10) years of continuous service is not eligible for vesting of renewal commissions for the life of the policy.
- (E) If a career agent has completed ten (10) years of continuous service,

one hundred percent (100%) of that career agent's renewal commissions earned on life business are vested for the life of the policies, and that vesting continues after termination of the career agent's contract, subject to the following:

(i) The lifetime renewal commissions are only on life business produced under the career agent's contract, based on the renewal rate in effect in the tenth (10th) year of that career agent's contract. For current agents who elect to become career agents, the lifetime renewal commissions are not payable on business produced under their old contract.

(ii) Renewal commissions are based on the commission schedule of the career agent's contract and the policy type sold. For example, the renewal commission payable at the beginning of the eleventh(11th) policy year is the same as that payable during the tenth (10th) policy year.

(F) If a career agent who has completed two (2) or more years of continuous service dies while the agent is under contract and active with the Company, the career agent's renewal commissions are deemed fully vested and will be payable to the career agent's estate on life business for the life of the policies.

Section 6 Company may, from time to time, establish minimum production standards for career agents so long as they do not exceed the "minimum production" defined in Section 4, and may take appropriate action if those standards are not met.

Section 7 Vested commissions will be credited as earned. Commissions that are payable in cash shall be paid monthly if the amount exceeds twenty-five dollars (\$25). In any calendar year following termination, the company may elect to terminate paying the vested renewals if they are less than one hundred twenty dollars (\$120) per quarter. Each agent will be furnished a copy of that agent's contract upon request.

Section 8 Any vested terminated agent may have renewal cheques mailed directly to the agent after the indebtedness has been paid.

After the death of an Agent, vested commissions shall be credited to the estate or designated beneficiary on file with Home Office as earned until annual renewals are less than one hundred twenty dollars (\$120). They will be released annually until the renewals are less than \$50 annually, at which time payment shall cease. The estate shall be furnished a copy of the Agent's contract upon request.

Section 9 Breach of contract by an agent at any time shall result in the loss of vesting and the termination of commissions.

Section 10 The Association shall make available **digitally** the following reports as produced:

- Monthly Financial Analysis Report
- Monthly Charge Summary Report
- Monthly Ledger Report
- Monthly Persistency & Progress Report
- Weekly Advance Report

ARTICLE 6 – Public Relations Representative Compensation

Section 1 PR Reps whose primary responsibility is producing leads shall have a written agreement and be compensated according to the compensation scale in this article.

Section 2 For all section of Article 6, a group is defined as one that has a minimum of 50 members and the greater of 3% card return or 10 response cards reported to Home Office. The term continuous service as used in this Agreement means that the Career PR has been under contract continuously for the length of time required.

For the purposes of Section 2, Section 3 and Section 4 of this Article 6, the PR Rep’s initial contract date will be used to determine length of service.

The minimum annual production required to maintain a PR contract is 2,500 cards.

Section 3 The compensation scale is based on the number of leads produced.

Section 4 An original working of an organization is when that organization:

- **Has not had a TG signed within the last three (3) years,**
- **Was signed within the last three (3) years but was not subsequently mailed.**

A renewal or rework of an organization would include any that would not qualify as an original working.

Detailed explanations will be provided for card reversal/duplication charges, including names of the reversed and duplicated cards. (Will email to each PR rep monthly within 90 days of ratification)

Below is a schedule of compensation for career PR including an increase for successive union contract years. The compensation is based on the response cards received from an original or renewal mailing:

Contract Year	Original	Renewal
January 2022	\$10.00	\$8.40
January 2023	\$10.25	\$8.55
January 2024	\$10.50	\$8.70

All Public Relations monetary proposals for Article 6, Section 4 are retroactive to January 1, 2022.

When any properly serviced group currently under contract with a PR Rep is officially merged with another group that is under contract with a different PR Rep or Marketing Specialist the original PR Reps shall receive a one-time split of lead credits resulting from the next first and second mailings based upon the number of members of each group that have merged and is under contract with each respective PR Rep provided that merged number is collectively at least 500 members.

Should the Company approve AD&D group coverage that encompasses multiple locals, chapters, clubs or affiliates of unions, associations or credit unions—and coverage is secured at that level, a split for lead returns will be set up as follows:

- **Individual Groups Currently under a contract :**
 - **The currently assigned PR Rep will receive 100% lead credits based on the membership count for the individual local who has a current contact with the PR Rep. The currently assigned PR Rep will be expected to continue servicing at a local level and provide servicing records upon management's request.**

- **Groups not under Contract with a PR REP split:**
 - **The Company expects local servicing to occur as that's the strongest relationship for maintaining coverage long term. For unions, this includes, but is not limited to, service at the individual local level. Local servicing PR Reps will be assigned by the Company, in consultation with the signing PR Rep and work in partnership with the PR Rep that has secured the multiple group contract and will receive a 50% split based on the membership count for the individual locals and the other 50% will be credited to the PR Rep who secured the multiple level coverage. The assigned PR Rep or Marketing Specialist will be expected to continue servicing at a local level and provide servicing records upon management's request. All local groups within the territory of the PR Rep who initiated the multiple local AD&D coverage, will be assigned to the signing PR Rep of the multiple level coverage with the signing Rep receiving 100% credit for those membership counts within the PR Reps territory**

unless the PR rep initiates a split with another PR Rep within that territory.

It is further agreed that Article 6 Section 4 (a) does not apply or alter in any way Article 6 - Public Relations Representative Compensation Section 12.

For the purposes of Section 4(a) this section applies to a Marketing Specialist covered by the Marketing Specialist Agreement.

Section 5

To encourage each self-employed PR Rep to save for their retirement, the following extra compensation amounts would be deposited to the PR Reps qualified retirement account established under the Canada Revenue Agency, hereinafter referred to as the "Account", based on a matching percentage of what the PR Rep contributed to their Account in each calendar year. The matching percent available increases each year through the tenth (10th) year for continuous service. The percent noted relates to the total annual (calendar year) compensation for the PR Rep that will be matched, limited to a maximum of **fourteen percent (14%)** of the PR Reps response card earnings for the calendar year. In order for the matching to be available, the PR Rep would be required to provide proof of the amount they personally contributed to their Account during the prior calendar year. The statements or proof of contribution must be provided to the Company by January 31st of each year. The extra compensation amount would then be deposited into the PR Reps Account by February 15th of that year, provided they met the minimum standard requirements and they have not exceeded the maximum contribution allowed under their plan.

Below is the matching schedule based on the length of service for each PR Rep:

Years of Service Completed	% of Annual Card Earnings Match (13% Maximum per Year)
Year 1	3%
Year 2	4%
Year 3	5%
Year 4	6%
Year 5	7%
Year 6	8%
Year 7	9%
Year 8	10%
Year 9	11%
Year 10+	14%

In recognition of the CRA limits of a) thirteen thousand and five hundred dollars (\$13,500) per annum and b) eighteen percent (18%) of earnings, the PR reps will be able to a) invest in a qualified instrument other than RRSP's and b) will only

have to contribute a maximum of ten percent (10%) of card response earnings to qualify for the Company matching of ten percent (10%), eleven percent (11%) and **fourteen percent (14%)** in years 8, 9, and 10.

If the maximum percent allowed under CRA increases to above eighteen percent (18%) during the term of this contract, the percentage required for contribution by the PR person would increase proportionally to the **fourteen percent (14%)** maximum.

In order for this contribution to be available, the PR Rep at the time of payment must have an active contract with the Company, have been contracted at least one year, and be meeting the minimum production standards. At the time of retirement and although the PR rep may not have worked a full calendar year, there will be one final contribution to be made by February 15th of the following year.

Contributions will be calculated using all cards received during the year of retirement.

After ten (10) years of service completed, the matching requirement will be waived. The extra compensation amount will then be deposited into the PR Reps account by February 15th of that year, provided they have met the minimum standard requirements.

Section 6 Company may, from time to time, establish minimum production standards for career PR Reps so long as they do not exceed the “minimum production for progression” defined in Section 2 and may take appropriate action if those standards are not met.

Section 7 Commissions are earned when a response card is received, or if no response card is involved, when the mailing is made. The commission schedule in effect on the date of the organization’s consent to a mailing shall govern. Earned commissions shall be credited within two weeks. If an organization is mailed in segments, commissions shall be credited at least once each month, covering cards received more than one week prior to the date of credit. To qualify for commission, the working of an organization and the manner of such working must be approved in advance by management.

A Public Relations Representative shall maintain, in their lead assignments, organizations that are current, properly serviced, mailable and workable. The Company may serve 120 days written notice of removal of the organization from the Public Relations Representatives lead assignments, should that organization not be maintained as current, properly serviced, mailable and workable.

It is further understood and agreed to; that where possible, organizations will be renewed every 18 months. However, a group would not be subject to a 120 day notice until after **21** months has elapsed since the date of last TG signing. In any event, it is not the intent of the Company for an organization to be removed from a Public Relations Representative’s lead assignments, if there is progress being made in securing a TG signing. Nor, is it the intention to remove from lead

assignments organizations whose circumstances prevent or affect the renewal that are beyond the Public Relations Representative's control (i.e.: elections , negotiations, job action, or **verified** sickness within the group).
