

Territorial Acknowledgement

The parties acknowledge with gratitude that they, and their members, work on the traditional, ancestral, and unceded territories of the first peoples, and in particular the First Nations of this province, who have cared for and nurtured these lands from time immemorial. The parties acknowledge the pervasive and ongoing harms of colonialism faced by the First Nations, Métis, and Inuit peoples. These harms include the widespread systemic racism against First Nations, Métis, and Inuit peoples, as persons served and staff of British Columbia's Community Social Services and other provincial service providers. We are committed to confronting and healing the systemic racism underlying these colonial systems in our province and community social services.

If agreement is not reached the matter will be sent to arbitration as provided in Article 10 (Arbitration).

ARTICLE 5 - CHECK-OFF OF UNION DUES

The Employer will, as a condition of employment, deduct from the gross salary of each employee in the bargaining unit, whether or not the employee is a member of the Union, the amount of the regular dues payable to the Union by a member of the Union.

The Employer will deduct from the gross salary of an employee who is a member of the Union any assessments levied in accordance with the Union Constitution and/or Bylaws and owing by the employee to the Union.

Deductions will be made in each payroll period of each month and membership dues or payments in lieu thereof will be considered as owing in the month for which they are so deducted. All deductions will be remitted to the Union not later than 28 days after the date of deduction and the Employer will also provide a list of names of those employees from whose salaries such deductions have been made, together with the amounts deducted from each employee.

Before the Employer is obliged to deduct any amount under this article, the Union must advise the Employer in writing of the amount of its regular monthly dues or assessments. The amount so advised will continue to be the amount to be deducted until changed by further written notice to the Employer by the Union. Upon receipt of such notice, such changed amount will be the amount deducted.

From the date of the signing of this agreement and for its duration, no employee organization other than the Union will be permitted to have membership dues or other monies deducted by the Employer from the pay of the employees in the bargaining unit.

The Employer will supply each employee, without charge, a T4 receipt for income tax purposes in the amount of the deductions paid to the Union by the employee in the previous year. Such receipts will be provided to the employee prior to March 1st of the succeeding year.

An employee will, as a condition of continued employment, complete an authorization form providing for the deduction from an employee's gross monthly wages or gross salary the amount of the regular monthly dues payable to the Union by a member of the Union.

ARTICLE 6 - EMPLOYER AND UNION WILL ACQUAINT NEW EMPLOYEES

The Employer agrees to acquaint new employees with the fact that a collective agreement is in effect and with the conditions of employment set out in the articles dealing with Union Security and Dues Check-off. The Employer agrees to provide the name, worksite phone number, and location of the new employee's

steward in the letter of hiring. Whenever the steward is employed in the same work area as the new employee, the employee's immediate supervisor will introduce them to their steward.

The Employer will notify the steward of new employees and of their primary work location within 10 days of the start date of the new employee. The Employer agrees that a union steward will be given an opportunity to interview each new employee within regular working hours, without loss of pay, for 30 minutes sometime during the first 30 days of employment for the purpose of acquainting the new employee with the benefits and duties of union membership and the employee's responsibilities and obligations to the Employer and the Union.

ARTICLE 7 - EMPLOYER'S RIGHTS

To implement this, the Union will supply the Employer with the names of its officers and similarly, the Employer will supply the Union with a list of its supervisory or other personnel with whom the Union may be required to transact business.

8.2 Union Representatives

The Employer agrees that access to its premises will be granted to representatives of the Union when dealing or negotiating with the Employer, as well as for the purpose of investigating and assisting in the settlement of a grievance or other union-related business. Representatives of the Union will notify the designated Employer's official in advance of their intention and their purpose for entering and will not interfere with the operation of the department or section concerned. Where available, the Employer will make available to union representatives or stewards, temporary use of an office or similar facility to facilitate the orderly and confidential investigation of grievances.

8.3 Labour Management Committee

(a) There will be established a Labour/Management Committee composed of two union representatives and two employer representatives. The parties may mutually agree to increase the size of the Committee up to a maximum of four union representatives and four employer representatives. This Committee may call upon additional persons for technical information or advice. The Committee may establish subcommittees or "ad-hoc" committees as it deems necessary and will set guidelines and operating procedures for such committees.

Where warranted, and where an Employer has locations in more than one geographic area, a separate Labour/Management Committee may be established for each of those geographic areas (see definition below).

(b) The Committee will meet at least once every 60 days or at the call of either party at a mutually agreeable time and place. Employees who attend meetings of the Committee as representatives of the

Union shall be compensated with straight-time pay. Compensation at straight-time pay for work outside the Committee members' regular working hours is limited to a combined total of 24 hours per year.

¹ *Geographic Area: A group of communities where it is practical for multiple locations to meet together.*

(c) An employer representative and a union representative will alternate in presiding over meetings. Minutes of each meeting of the Committee will be prepared by the Employer and approved by an employer and union designate who were in attendance at the meeting. Once approved, the minutes will be distributed to the Union and the Employer within three working days.

(d) The Committee will not have jurisdiction over wages or any other matter of collective bargaining, including the administration of this agreement. The Committee will not supersede the activities of any other Committee of the Union or of the Employer and will not have the power to bind either the Union or its members or the Employer to any decisions or conclusions reached in their discussions.

(e) The Committee will have the power to make recommendations to the Union and the Employer on the following general matters:

(1) reviewing matters, other than grievances, relating to the maintenance of good relations between the parties;

(2) correcting conditions causing grievances and misunderstanding.

8.4 Technical Information

(a) The Employer agrees to provide to the Union such information as is available relating to employees in the bargaining unit, as may be required by the Union for collective bargaining purposes.

(b) In January of each year the Employer will provide to the Union a list of all employees in the bargaining unit, their job titles, addresses and their phone numbers.

ARTICLE 9 - GRIEVANCES

9.1 Grievance Procedure

The Employer and the Union agree that disputes arising from:

(a) the interpretation, application or alleged violation of the agreement, including all memoranda, letters and addenda attached to the collective agreement including the question of arbitrability; or

(b) the dismissal, suspension or discipline of any employee in the bargaining unit;

will be resolved in accordance with the following procedures.

9.2 Step 1

In the first step of the grievance procedure, every effort will be made to settle the dispute with the designated local supervisor. The aggrieved employee will have the right to have a steward present at such a discussion. If the dispute is not resolved orally, the aggrieved employee may submit a written grievance, through the union steward, to Step 2 of the grievance procedure. When the aggrieved employee is a steward, they will not, where possible, act as a steward in respect of their own grievance, but will submit the grievance through another steward or union staff representative.

9.3 Time Limits to Present Initial Grievance

An employee who wishes to present a grievance at Step 2 of the grievance procedure, in the manner prescribed in Clause 9.4 (Step 2), must do so not later than 30 days after the date:

- (a) on which they were notified orally or in writing of the action or circumstances giving rise to the grievance; or
- (b) on which they first became aware of the action or circumstances giving rise to the grievance.

9.4 Step 2

(a) Subject to the time limits in Clause 9.3 (Time Limits to Present Initial Grievance), the employee may present a grievance at this level by:

- (1) recording the grievance on the appropriate grievance form, setting out the nature of the grievance and the circumstances from which it arose;
- (2) stating the article or articles of the agreement violated or alleged to have been violated, and the remedy or correction required; and
- (3) transmitting this grievance to the designated local supervisor through the union steward.

(b) The local supervisor will:

- (1) forward the grievance to the representative of the Employer authorized to deal with grievances at Step 2; and
- (2) provide the employee with a receipt stating the date on which the grievance was received.

9.5 Time Limit to Reply to Step 2

(a) Within 10 days of receiving the grievance at Step 2, the representative of the Employer, the employee and the steward will meet to examine the facts, the nature of the grievance and attempt to resolve the dispute. The steward and the representative of the Employer will fill out a "shared fact sheet" [see Information Appendix G (Shared Fact Sheet)] listing an agreed statement of facts. The "shared fact sheet" is on a "without prejudice" basis and will not be referred to by either party in any third party proceedings.

(b) The Employer's designate at Step 2 will reply in writing to the Union within 14 days of receiving the grievance at Step 2.

9.6 Step 3

The President of the Union, or their designate, may present a grievance at Step 3:

- (a) within 14 days after the reply has been conveyed to them by the representative designated by the Employer to handle grievances at Step 2; or
- (b) within 14 days after the Employer's reply was due.

(c) At this step of the grievance procedure, each party shall provide to the other copies of their supporting documents (see also Section 12 of the Shared Fact Sheet).

9.7 Time Limit to Reply to Step 3

The representative designated by the Employer to handle grievances at Step 3 will reply in writing to the grievance within 30 days of receipt of the grievance at Step 3.

9.8 Time Limit to Submit to Arbitration

(a) Failing satisfactory settlement at Step 3, and pursuant to Article 10 (Arbitration), the President, or their designate, may inform the Employer of their intention to submit the dispute to arbitration within:

(1) 30 days after the Employer's reply at Step 3 has been received; or

(2) 30 days after the Employer's reply was due.

(b) Once the Employer has been informed of the intention to submit the dispute to arbitration, the parties will exchange particulars and documents that have not already been provided. Where either party believes a document is confidential or private in nature, that party may withhold the document, or produce it subject to mutually agreed conditions. A good-faith failure to identify and produce a relevant document at this stage does not prejudice a party's subsequent conduct of its case. Nothing in this article precludes a party from obtaining a disclosure order from an appointed arbitrator.

9.9 Failure to Act

If the President of the Union, or designate, does not present a grievance to the next higher level within the prescribed time limits, or six months passes from the time the Union President, or designate informed the Employer of their intention to submit a dispute to arbitration, the Employer may enquire, in writing, by priority courier **or electronically** as to the status of the grievance **by referencing this provision**. If, within 30 days of receipt of such letter, the Union has not advanced the grievance to the next step or submitted the grievance to arbitration, the grievance will be deemed to be abandoned unless the parties mutually agree otherwise. However, the Union will not be deemed to have prejudiced its position on any future grievance.

9.10 Amending of Time Limits

The time limits fixed in this grievance procedure may be altered by mutual consent of the parties, but the same must be in writing. Where a grievance or a reply is presented by mail it will be deemed to be presented on the day on which it is postmarked and it will be deemed to be received on the day it was delivered to the appropriate office of the Employer or the Union. Grievances and replies at Step 3 of the grievance procedure and notification to arbitrate will be by priority courier, facsimile or electronic communication, as appropriate.

9.11 Dismissal or Suspension Grievance

(a) In the case of a dispute arising from an employee's dismissal, the grievance may be filed directly at arbitration within 30 days of the date on which the dismissal occurred, or within 30 days of the employee receiving notice of dismissal.

(b) In the case of a dispute arising from an employee's suspension, the grievance may commence at Step 2 or 3 of the grievance procedure within 30 days of the date on which the suspension occurred, or within 30 days of the employee receiving notice of suspension.

9.12 Deviation from Grievance Procedure

(a) The Employer agrees that, after a grievance has been initiated by the Union, the Employer's representative will not enter into discussion or negotiation with respect to the grievance, either directly or indirectly, with the aggrieved employee without the consent of the Union.

(b) In the event that after having initiated a grievance through the grievance procedure, an employee endeavours to pursue the same grievance through any other channel, then the Union agrees that, pursuant to this article, the grievance will be considered to have been abandoned.

(c) Notwithstanding (b) above, an employee who has filed a complaint with the Human Rights Tribunal, unrelated to harassment, will not have their grievance deemed abandoned through the filing of the complaint.

9.13 Policy Grievance

(a) Employer-Specific Grievances

Where either party disputes the general application, interpretation or alleged violation of an article of this agreement, the dispute will be discussed initially with the Employer or the Union, as the case may be, within 30 days of the occurrence.

Where no satisfactory agreement is reached, either party may submit the dispute to arbitration, as set out in Article 10 (Arbitration).

(b) Sector-Wide Policy Grievance

Where a difference arises between the CSSBA and CSSEA involving an interpretation of the collective agreement or the general application or administration of the collective agreement, the dispute will be discussed by CSSBA and CSSEA within 30 days of the occurrence.

Where no satisfactory resolution is reached, a sector-wide policy grievance may be filed in writing identifying the nature of the difference, the articles alleged to be violated, and the remedy or correction sought.

Failing resolution, either party may submit the difference to arbitration pursuant to Article 10 within a further 30 days of the grievance. **The parties agree to appoint an arbitrator listed in Appendix B – List of Arbitrators, or another mutually agreed arbitrator.**

9.14 Technical Objections to Grievances

It is the intent of both parties of this agreement that no grievance will be defeated merely because of a technical error, other than time limitations in processing the grievance through the grievance procedure. To this end, an arbitration board will have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance, in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.

9.15 Management Grievance

The Employer may initiate a grievance at Step 3 of the grievance procedure by the Employer or designate presenting the grievance to the President of the Union or designate. Time limits and process are identical to a union grievance.

ARTICLE 10 - ARBITRATION

10.1 Notification

Where a difference arises between the parties relating to the interpretation, application, or administration of this agreement, including any questions as to whether a matter is arbitrable or where an allegation is made that a term or condition of this agreement has been violated, either of the parties may, after exhausting the grievance procedure in Article 9 (Grievances), notify the other party within 30 days of the receipt of the reply at the third step, that the grievance is to be submitted to arbitration. Such notice will **be copied to a single CSSEA supplied email address.**

10.2 Appointment of the Arbitrator

(a) Where a party has requested that a grievance be submitted to arbitration **and where the outcome would not be precedential to other parties to the Collective Agreement,** an arbitrator will be selected from the agreed upon list outlined in Appendix B – List of Arbitrators. The individuals will be appointed in rotation unless they are unable to schedule the hearing within 60 days in which case the next individual on the list will be appointed. **The rotation will be shared between the CSSEA and the CSSBA.** Where the parties mutually agree, an arbitrator who is not listed in Appendix B - List of Arbitrators may be appointed.

(b) **Where a party has referred a grievance to arbitration and where the outcome would be precedential to other parties to the Collective Agreement, the parties agree to appoint an arbitrator listed in Appendix B – List of Arbitrators, or another mutually agreed arbitrator. If the parties are unable to agree on an arbitrator, they will seek the assistance of the Collective Agreement Arbitration Bureau to facilitate an appointment under Sections 83 and 86 of the Labour Relations Code.**

(c) **Should the parties dispute whether an arbitration referral should be made under (a) or (b) above, the dispute shall be referred immediately to Bob Pেকেles, or agreed upon alternate, who shall provide recommendations to the parties using the criteria above on whether the process under (a) or (b) applies.**

10.3 Board Procedure

The Arbitrator may determine their own procedure in accordance with the Labour Relations Code and will give full opportunity to all parties to present evidence and make representations. They will hear and determine the difference or allegation and will make every effort to render a decision within 30 days of their first meeting.

10.4 Decision of Arbitrator

The decision of the Arbitrator will be final, binding and enforceable on the parties. The Arbitrator will have the power to dispose of a dismissal, discharge or discipline grievance by any arrangement which they deem just and equitable. However, the Arbitrator will not have the power to change this agreement or to alter, modify or amend any of its provisions.

10.5 Disagreement on Decision

Should either party disagree as to the meaning of the Arbitrator's decision, either party may apply to the Arbitrator to clarify the decision. The Arbitrator will make every effort to provide written clarification within seven days of receipt of the application.

10.6 Expenses of Arbitrator

Each party will pay one-half of the fees and expenses of the Arbitrator.

10.7 Amending Time Limits

The time limits fixed in the arbitration procedure may be altered by mutual consent of the parties but the same must be in writing.

10.8 Witnesses

At any stage of the grievance or arbitration procedure, the parties may have the assistance of the employee(s) concerned as witnesses and any other witnesses. All reasonable arrangements will be made to permit the concerned parties or the Arbitrator(s) to have access to the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

10.9 Expedited Arbitration

(a) The parties may meet, to review outstanding grievances filed at arbitration to determine those grievances suitable for this process, and will set dates and locations for hearings of groups of grievances considered suitable for expedited arbitration.

(b) All grievances will be considered suitable for and resolved by expedited arbitration except grievances in the nature of:

- (1) dismissals;
- (2) rejection on probation;
- (3) suspensions in excess of 20 workdays;
- (4) policy grievances;
- (5) grievances requiring substantial interpretation of a provision of the collective agreement;
- (6) grievances requiring presentation of extrinsic evidence;
- (7) grievances where a party intends to raise a preliminary objection;
- (8) demotions.

By mutual agreement, a grievance falling into any of these categories may be placed into the expedited arbitration process.

(c) The parties will mutually agree upon single arbitrators who will be appointed to hear and resolve groups of grievances. See Appendix B for the list of arbitrators approved to hear expedited arbitrations.

(d) The Arbitrator will hear the grievances and will render a decision within two working days of such hearings. No written reasons for the decision will be provided beyond that which the Arbitrator deems appropriate to convey a decision.

- (e) Expedited arbitration awards will be of no precedential value and will not thereafter be referred to by the parties in respect of any other matter.
- (f) All settlements of expedited arbitration cases prior to hearing will be without prejudice.
- (g) A grievance determined by either party to fall within one of the categories listed in (b) above, may be removed from the expedited arbitration process at any time prior to hearing and forwarded to a regular arbitration hearing pursuant to Clause 10.2 (Appointment of the Arbitrator).
- (h) The parties will equally share the cost of the fees and expenses of the Arbitrator and hearing rooms.

ARTICLE 11 - DISMISSAL, SUSPENSION AND DISCIPLINE

11.1 Procedure

In the event that the Employer initiates disciplinary action against an employee, that may result in their suspension or discharge, the procedure outlined herein will be followed.

11.2 Dismissal and Suspension

- (a) The Employer may dismiss or suspend for just cause any employee who has completed their probationary period. Notice of dismissal or suspension will be in writing and will set forth the reasons for dismissal or suspension and an employee will have the right to have a steward present, providing that this does not result in an undue delay of the appropriate action being taken. A copy of the written notice of suspension or dismissal will be forwarded to the President of the Union or the designated staff representative within five working days.
- (b) A suspension of indefinite duration will be considered a dismissal under 11.2(a) above as soon as it exceeds 20 days and any grievance already filed will be considered henceforth as a dismissal grievance.

11.3 Burden of Proof

In all cases of discipline, the burden of proof of just cause will rest with the Employer.

11.4 Right to Grieve Other Disciplinary Action

- (a) Disciplinary action grievable by the employee will include written censures, letters of reprimand and adverse reports or employee appraisals.
- (b) An employee will be given a copy of any document, report, incident, or notation placed on the employee's file which might be the basis of disciplinary action.
- (c) Should an employee dispute any such entry in their file, they will be entitled to recourse through the grievance procedure and the eventual resolution thereof will become part of their personnel record.
- (d) Any such document, other than official evaluation reports, will be removed from the employee's file after the expiration of 18 months from the date it was issued provided there has not been a further infraction. Where an employee takes a consecutive paid or unpaid leave of absence that in total exceeds two months within the 18 month period, the 18 month period may be extended up to the period of time in excess of two months, ~~with the agreement of the Union. The Union will not unreasonably deny the extension.~~ Approved vacation and maternity and parental leaves are the exceptions that will not count toward the two month threshold.

(e) The Employer agrees not to introduce as evidence in any hearing any document from the file of an employee, the existence of which the employee was not aware at the time of filing.

11.5 Personnel File

(a) An employee, or the President of the Union or their designate, with written authority of the employee, will be entitled to review an employee's personnel file, exclusive of employee references. The file will be reviewed at the employee's worksite or, where it is not possible, the file will be made available for review at a mutually agreed location. A designated management representative may be in attendance at this review. The Employer will provide copies of file entries as requested. The Employer may require up to five working days' notice prior to giving access to such information.

(b) Personnel files will be kept confidential and access will be given only to those supervisory personnel that require the information in the course of their duties.

11.6 Right to Have Union Representative Present

(a) An employee will have the right to have a steward present at any interview with supervisory personnel, which the employee believes might be the basis of disciplinary action. Where a supervisor intends to interview an employee for disciplinary purposes, the supervisor will notify the employee in advance of the purpose of the interview in order that the employee may contact a steward, providing that this does not result in an undue delay of the interview. This clause will not apply to those interviews that are of an operational nature and do not involve disciplinary action.

(b) A steward will have the right to consult with a staff representative of the Union and to have a local union representative present at any interview with supervisory personnel which might be the basis of disciplinary action against the steward, providing that this does not result in an undue delay of the interview.

(c) An employee has the right to select the steward they wish to represent them providing that this does not result in an undue delay.

11.7 Abandonment of Position

An employee who fails to report for duty for three consecutive working days without informing the Employer of the reason for their absence will be presumed to have abandoned their position. An employee will be afforded the opportunity within 10 days to rebut such presumption and demonstrate that there were reasonable grounds for not informing the Employer.

11.8 Probation

(a) The Employer may reject a probationary employee for just cause. The Employer will provide the reasons for the rejection in writing. A rejection during probation will not be considered a dismissal for the purpose of Clause 11.2 (Dismissal and Suspension) of this agreement. The test of just cause for rejection will be a test of suitability of the probationary employee for continued employment in the position to which they have been appointed, provided that the factors involved in suitability could reasonably be expected to affect work performance.

(b) The probationary period for supervisory employees and professional employees (registrants of a regulatory body) will be six months worked or the equivalent number of hours worked as based on the normal hours of work of a full-time employee, whichever occurs last. Notwithstanding the foregoing, the probationary period will not exceed nine calendar months.

(c) The probationary period for all other employees will be three months worked or the equivalent number of hours worked as based on the normal hours of work of a full-time employee, whichever occurs last. Notwithstanding the foregoing, the probationary period will not exceed six calendar months.

(d) The Employer, with the agreement of the Union, may extend the probationary period for a further period not to exceed three months. Following discussion with the Union, the Union will not unreasonably deny the extension.

(e) Where an employee feels they have been aggrieved by the decision of the Employer to reject the employee during the probationary period, they may grieve the decision pursuant to the grievance procedure outlined in Article 9 (Grievances) of this agreement commencing at Step 3.

11.9 Employee Investigations

(a) The parties agree that in certain situations it may be in the best interest of both clients and employees that employees be reassigned or removed from all job sites during an investigation of conduct. In cases where an employee cannot be reassigned, then the employee will be considered to be on leave of absence without loss of pay until the Employer has determined there is a prima facie case for imposing discipline.

(b) The Employer will make every effort to complete its investigation within 14 days. The Employer will provide the Union with a summary of the investigation report. This summary sheet is on a "without prejudice" basis and will not be referred to by either party in any third party proceedings.

(c) The Employer will notify the union designate when an investigation of conduct has been initiated. Any employee who is interviewed in the course of an investigation will have the right to union representation at such an interview.

ARTICLE 12 - SENIORITY

12.1 Seniority Defined

(a) Seniority includes employment with the Employer prior to certification and will be as follows:

(1) Regular full-time employees will have a seniority date, which includes all seniority as a regular part-time employee and as a casual employee and will include all absences for which seniority continues to accumulate.

(2) Regular part-time employees will accrue seniority based on all hours paid.

(3) Casual employees will accrue seniority on an hourly basis for all hours paid.

(4) For the purpose of part-time and casual seniority, seniority will be credited as all hours paid for and will include all absences for which seniority continues to accumulate.

(5) Upon achieving regular full-time employee status, a part-time or a casual employee will have their hourly seniority converted to a seniority date. The resulting date will be deemed to be the employee's seniority date.

(6) Regular full-time employees who are returned to either part-time or casual status will have their seniority converted to hours.

(b) Notwithstanding the above, each Employer, at the time of ratification, excluding those certifications in Memorandum of Agreement #3 (Re: Existing New Certifications, Future Certifications and Variances) identified as new certifications, will maintain the current system of calculating seniority. Where an Employer has two or more unions representing employees with different methods of calculating seniority, the Unions must select a single system within 30 days of ratification of this agreement. Where they are unable to agree on a single system, the system reference in (a) above will apply.

(c) Movement Between Agencies

When an employee who was employed by one Employer and is subsequently employed by another Employer as a result of a merger, the employee will be credited with seniority in accordance with the following:

(1) Where the two Employers have a similar method of calculating seniority each employee moving from one agency to another will be credited with their seniority.

(2) Where the Employers have a different method of calculating seniority, the employee will have their seniority calculated by their current Employer using the methodology of the new Employer.

12.2 Seniority List

The Employer will prepare and provide to the Union once every six months, in January and July an up to date seniority list containing the following information for all employees:

- (a) employee's name;
- (b) employee's seniority;
- (c) employee's current classification;
- (d) employee's rate of pay;
- (e) employee's status (per Article 2.1 Employees);
- (f) employee's continuous service date.

This seniority list, except rate of pay, will be posted by the Employer at all worksites for 30 days. Any objection to the accuracy of the seniority or continuous service date information contained therein must be submitted in writing to the Employer during the said posting period. Thereafter, the posted list will be deemed to be valid and correct for all purposes for the duration of that posting period.

The Employer will provide the Union and a union designated employee with a copy of the seniority list upon request.

12.3 Loss of Seniority

An employee will lose their seniority only in the event that:

- (a) they are discharged for just cause;
- (b) subject to Clause 12.5 (Bridging of Service), they voluntarily terminate their employment or abandons their position, as per Clause 11.7 (Abandonment of Position);
- (c) they are on layoff for more than one year;

- (d) upon being notified by the Employer **in accordance with Article 13.5(a)** that they are recalled from layoff, they fail to contact the Employer with their acceptance of recall within seven days of receipt of the recall notice. After contacting the Employer, employees will have up to 14 days to return to work;
- (e) they are permanently promoted to an excluded position and does not return to the bargaining unit within six months.

12.4 Re-Employment

An employee who resigns their position and within 90 days is re-employed, will be granted a leave of absence without pay covering those days absent and will retain all previous rights in relation to seniority and benefits subject to any benefit plan eligibility requirements.

12.5 Bridging of Service

If a regular employee resigns after the signing of this agreement as a result of a decision to care for a dependent child or dependent children, spousal illness or disability, or an aging parent and is re employed with their former employer, upon application they will be credited with length of service accumulated at time of **resignation** for the purpose of benefits based on service seniority. The following conditions will apply:

- (a) the employee must have been a regular employee with at least two years of service seniority at time of **resignation**;
- (b) **the employee is able to demonstrate the reason for the resignation**;
- (c) the break in service will be for no longer than six years;
- (d) the previous length of service will not be reinstated until successful completion of the probation period on re-employment.

12.6 Same Seniority

When two or more employees have the same seniority and when mutual agreement cannot be reached, then seniority will be determined by chance.

ARTICLE 13 - LAYOFF AND RECALL

13.1 Definition of a Layoff

"Layoff" is:

- (a) a cessation of employment or elimination of a job resulting from a reduction of the amount of work required to be done by the Employer, or reorganization, or a program termination, or closure or other material change in organization; or
- (b) a reduction in hours of work greater than four hours per week from the employees' posted position, or that results in the elimination of health and welfare benefits, or that results in a change in the employees' status.

13.2 Pre-Layoff **Discussions and** Canvass

(a) Before a layoff occurs, the Employer may consult with the Union to discuss lessening disruption to clients and staff, as well as whether a pre-layoff canvass of employees is necessary or advisable or may be waived.

If the pre-layoff canvass is not waived, then prior to the layoff of regular employees under Clause 13.3 (Layoff), the Employer will canvass employees in order to invite **responses on one or more of the following options:**

- (1) placement on the casual call-in and recall lists with no loss of seniority; or
- (2) early retirement; or
- (3) other voluntary options, as agreed to by the Union and the Employer.

The Employer will copy the Union on the pre-layoff canvass to enhance awareness and support in relation to pending layoffs.

Where more than one employee expresses interest in one of the above options, they will be offered to qualified employees on the basis of seniority.

(b) Responses from employees to the Pre-Layoff Canvass will only be received by the Employer for consideration if submitted within seven days of issuance of a written notice to the employee or group of employees.

(c) **Once an employee's option is** confirmed in writing by the employee and the Employer, **it** is final and binding upon the employee and the Employer, **and the Union will be copied on it.**

13.3 Layoff

Both parties recognize that job security will increase in proportion to length of service.

(a) Non-residential: In the event of a layoff, employees will be laid off by classification, in reverse order of seniority.

(b) Residential Programs **as defined in clause 2.2 (I):** In the event of a layoff, employees will be laid off by classification, in reverse order of seniority within the appropriate shift within their worksite.

Layoff notice will be provided in electronic format as appropriate and identify the date that the layoff will commence, and also that the affected employee may choose one of the following by a specified deadline date:

to be placed on the casual call-in and recall lists with no loss of seniority;

to be laid off and be placed on recall status with no loss of seniority;

to bump a junior employee from a current list of junior positions available to bump under Clause 13.4 (Bumping); **or**

to apply for an available vacancy, with reference to the list of vacancies. If the employee applies but is not the successful applicant, this does not prejudice their right to options (1) to (3) above.

13.4 Bumping

(a) The laid off employee and the first two employees affected by bumping may choose:

- (1) to be placed on the casual call-in and recall lists with no loss of seniority; or
 - (2) to bump any employee with less seniority if they are qualified to satisfactorily perform the work. An employee can bump up, but not into a supervisory position.
- (b)** Subsequent employees affected by bumping who are qualified to satisfactorily perform the work may choose:
- (1)
 - (i) to bump the least senior employee in either their classification or a similar classification whose weekly hours are up to four hours more or less than the employee's or
 - (ii) the least senior employee in a dissimilar classification whose weekly hours are up to four hours more or less than the employee's and that employee is junior to the employee who would have been bumped if the option in (i) above had been selected.
 - (2) if no options exist under (1)(i) above then the employee may choose to use the process in (1) above to bump within the next four hour time band. If no options are available in this time band in the employee's own or similar classification the employee may choose the next four hour time band, this process will continue until the employee bumps or there are no more time bands available to the employee.

Similar classification means - in the same job family and in the same grid level or one grid level above or below the displaced employee's grid level.

- (c)** Within five days of receiving from the Employer both the notice of layoff and all information required by the employee to make an informed decision regarding their bump options, they will provide written notice to the Executive Director of their bump choice.

13.5 Recall

- (a) Employees will be recalled to available work in order of their seniority provided they are qualified and are able to perform the duties. **The Employer will attempt to contact the recalled employee by phone at their last known number and will send a notice of recall by priority courier or by appropriate electronic communication as agreed to by the employee and Employer at the time of layoff.** Employees must accept recall within seven days of receipt of the **notice.** Employees will have 14 days after accepting recall to return to work.
- (b) The recall period will be one year. At the end of the recall period, an employee has the right to become a casual employee and be placed on call-in lists with their seniority.
- (c) New employees will not be hired into a regular position until those laid off in that classification have been given an opportunity of recall.
- (d) Job posting under Article 24 (Promotion and Staff Changes) will occur prior to recall of any employee. When there are employees on the recall list, job postings will include a copy of this article.
- (e) Employees on the recall list have the right to apply for job postings as an internal applicant.
- (f) When an employee on the recall list is a qualified applicant to a position, then the Employer will not consider applications to the vacancy from any less senior employees.

(g) When an employee on the recall list is the successful applicant to a position, they will not be expected to start in the new position until 14 days from the notice of assignment unless an earlier date is determined by mutual agreement between the employee and the Employer.

(h) Should the employee not continue in the assignment beyond their trial period, and where the employee is still within their one year recall period, they will be returned to the recall list for the remainder of their one year recall period.

13.6 Advance Notice

The Employer will provide written notice and/or pay in lieu of notice to a regular employee who is to be laid off prior to the effective date of layoff according to one of the following provisions:

- (a) one week's notice and/or pay in lieu of notice after three consecutive months of employment; or
- (b) two weeks' notice and/or pay in lieu of notice after 12 consecutive months of employment; or
- (c) three weeks' notice and/or pay in lieu of notice after two consecutive years of employment, plus one additional week for each year of employment, to a maximum of eight weeks' notice and/or pay in lieu of notice.

13.7 Grievance on Layoffs and Recalls

Grievances concerning layoffs and recalls may be initiated at Step 2 or 3 of the grievance procedure.

13.8 Worksite Closure

(a) Where the Employer closes a worksite or discontinues a program, the Employer will consult with the Union. Following consultations, where the Employer offers positions to all or part of the staff affected, the following will apply:

- (1) Employees who accept a position and are placed in a lower classification will not have their salary reduced for a period of three months.
 - (2) If the downward classification lasts longer than three months, no employee will suffer more than 10% reduction in their basic pay.
- (b) An employee who is classified downward as per (2) above will be offered, in order of seniority, the first vacancy in their former classification with the equivalent number of hours, or less, that they were working prior to their layoff, prior to the application of the recall provision.

Note: See Information Appendix H (Flowcharts Illustrating Article 13 (Layoff and Recall))

ARTICLE 14 - HOURS OF WORK

14.1 Definitions

For the purpose of this article, "day" means a 24-hour period commencing at 00:01 hours, and "week" means a period of seven consecutive days beginning at 00:01 hours Sunday and ending at 24:00 hours the following Saturday.

14.2 Hours of Work

- (a) See Memorandum of Agreement # 1 (Re: Local Issues).

(b) (1) If an employee, reporting for work at the call of the Employer, is informed upon arrival at work that they are not required to work, the employee will be paid for a minimum of two hours' pay at their regular rate.

(2) An employee reporting for work at the call of the Employer, will be paid a minimum of three hours' pay at their regular rate if they commence work.

(3) Except as provided in (4) and (5) below, the Employer will not schedule shifts of less than four hours in duration.

(4) Existing local agreements providing for regularly scheduled shifts which are less than four hours in duration will continue for the term of this collective agreement. Any new arrangements involving regularly scheduled shifts which are less than four hours in duration will be subject to local agreement.

(5) Employees working in School Aged Child Care Programmes may be scheduled for a minimum of three hours.

(c) No employee will be scheduled for more than five consecutive days without receiving two consecutive days off unless otherwise agreed by the Union and the Employer.

(d) Notwithstanding (c), employees may request, in writing, to be scheduled up to six days in a week so as to pick up additional hours up to the maximum hours listed in Clause 14.2(a) (Hours of Work). Employees must have a 24-hour break after six consecutive days of work.

(e) To ensure efficient and effective service delivery within a climate of fairness, current arrangements regarding the assignment of additional hours will continue until such time as local issue negotiations on this matter are complete. If no agreed upon arrangements exist the following will apply:

(1) Additional hours up to the allowable straight-time maximum will be offered to employees by seniority in the following sequential order:

(i) full-time employees

(ii) part-time employees

(2) Regular employees will be offered additional hours within their classification and worksite before qualified regular employees at other programmes/worksites (see local issues agreement) in that classification. Remaining additional hours will be offered to qualified regular employees in other classifications.

(4) Regular employees requesting additional hours must give the Employer written notice of their desire to work additional hours and their availability.

(f) 24-Hour Live-In Shifts

All existing 24-hour live-in shifts will be retained as per the previous collective agreement until the expiration of the service contract associated with the 24-hour shift arrangement.

New and/or renewed 24-hour live-in shifts arrangements will be subject to local agreement.

The Employer will give the Union sufficient notice of any new/renewed 24-hour shift arrangement in order to ensure adequate time to discuss the arrangements.

(g) Extended Hours Shifts

Extended workdays and/or extended workweeks are shifts in excess of the regular hours of work as outlined in Clause 14.2(a) (Hours of Work) that average the regular hours of work as outlined in Clause 14.2(a) (Hours of Work) over an agreed upon averaging period. In no case will extended workdays be greater than 16 hours in length.

All provisions of the collective agreement continue to apply to an employee working extended workday and/or extended workweek schedules except as varied below:

- (1) Implementation of extended workday and/or extended workweek schedules requires the agreement of the Employer and the Union.
- (2) Extended workday and/or extended workweek schedules may be cancelled by the Employer upon 30 days written notice. The Employer will consult with the Union prior to such cancellation.
- (3) Daily overtime for employees working extended workday and/or extended workweek schedules commences after the completion of the scheduled shift.
- (4) Any paid leaves in the collective agreement will be paid using the principles of equivalent hours up to the maximum entitlement.

14.3 Rest Periods

- (a) Rest periods will be taken without loss of pay to the employees.
- (b) All employees will have two 15 minute rest periods in each work period in excess of six hours, one rest period to be granted before and one after the meal period.
- (c) Employees working a shift of three and one-half hours, but not more than six hours, will receive one rest period during such a shift.
- (d) Due to the needs of the clients, employees may be required to remain within the general area during rest periods so that they are readily available for safety or emergency situations if needed.

14.4 Meal Periods

- (a) Meal periods will be scheduled as closely as possible to the middle of the workday. The length of the meal period will be not less than 30 minutes and not more than 60 minutes.
- (b) An employee will be entitled to take their meal period away from the worksite. Where the Employer determines that this cannot be done, the meal period will be considered as time worked at straight-time including the accrual of all benefits of the collective agreement. Where employees are required to remain at work during meal periods and a meal is provided to the clients, the meal will also be provided to the employees.
- (c) Where an employee is required to accompany a client away from the worksite for a meal, the employee will be reimbursed for the actual cost of their meal.

14.5 Flextime

(a) For the purpose of this agreement, flextime means the hours worked by an employee, or group of employees, who are given authority by the Employer to:

(1) choose their starting and finishing times; and

(2) choose their length of workday within a stated maximum number of hours, subject to meeting the required annual hours of work in accordance with this agreement, through a specified averaging period.

(b) The full-time employee on flextime who has a day of absence, whether with or without pay, will be deemed to be absent for the agreed upon hours, providing at least the agreed upon hours are required to complete the averaging period. If less than the agreed upon hours are required to complete the averaging period, such number of hours will be deemed to be the hours of absence.

(c) The averaging period for employees on flextime will be two pay periods.

(d) The workday for those employees on flextime will not exceed 10 hours.

14.6 Staff Meetings

Employees who are required to attend staff meetings will be paid their appropriate rate of pay. When the meeting is voluntary, the employee has no obligation to attend.

14.7 Standby Provisions

(a) Employees required to be on standby will be paid one dollar per hour, or portion thereof.

(b) The minimum standby requirement will be four consecutive hours.

14.8 Conversion of Hours

Where an employee's regular scheduled workday is greater than those outlined in Clause 14.2(a) (Hours of Work), special and paid leaves including holidays, annual vacation, sick leave, and compassionate leave will be converted to hours on the basis of the normal full-time daily hours of work outlined in Clause 14.2(a) (Hours of Work), and deducted based on the number of hours taken as leave in accordance with the employee's work schedule.

ARTICLE 15 - SHIFTS

Employees may exchange shifts with the approval of the Employer, provided that whenever possible, sufficient advance notice in writing is given and provided that there is no increase in cost to the Employer.

15.2 Shortfall of Shifts

There will be no payback for shortfall of annual working hours in the shift systems.

15.3 Short Changeover Premium

(a) Except by mutual agreement, an employee will receive eight consecutive hours off duty when changing shifts. If shifts are scheduled so that there are not eight hours between the finish of an employee's shift and the start of their next shift, a premium calculated at overtime rates will be paid for hours worked on the succeeding shift within the eight hour period.

(b) Where an employee exercises seniority rights to work shifts, one of which falls within the eight hour period from the finish of the previous shift, the employee will not be entitled to claim the premium rate referred to in (a) above.

15.4 Split Shifts

(a) Subject to (b) below, it is understood that there will be no regularly scheduled "split shifts" except in School Age Child Care Programmes or as negotiated between the Union and the Employer at the local level.

(b) All existing split shift arrangements will be retained as per the previous collective agreement until the expiration of the service contract associated with the arrangement.

The Employer will give the Union sufficient notice of any new/renewed split shifts arrangement in order to ensure adequate time to discuss the arrangements.

15.5 Work Schedules

(a) Work schedules must be posted 14 calendar days in advance of the beginning of the work schedule.

(b) Changes to the posted work schedule may only be made for bona fide operational requirements.

(c) With the exception of (d) below, if the change to the employee's schedule is initiated by the Employer with less than 48 hours' notice, the employee will be paid a premium of 85¢ per hour for work performed on the first shift of the revised schedule.

(d) The penalty in (c) above does not apply if the change is initiated by the Employer with less than 48 hours' notice because of an unanticipated absence of a scheduled employee, and no casual employee is available.

(e) If child care or other serious personal circumstances do not permit such a change, employees may choose to transfer to casual status. An employee who transfers from regular to casual status will have their regular sick bank frozen and inaccessible until such time as the employee posts back to regular status or posts to a vacancy under Clause 24.11 (Temporary Vacancies).

Overtime entitlement will be calculated in 20 minute increments; however, employees will not be entitled to any compensation for periods of overtime of less than 10 minutes per day.

16.3 Recording of Overtime

Employees will record starting and finishing times for overtime worked on a form determined by the Employer.

16.4 Sharing of Overtime

Overtime work will be allocated equitably within a programme/worksites (see local issues agreement).

- (a) time and one-half for the first two hours of overtime on a regularly scheduled workday; and
- (b) double-time for hours worked in excess of the two hours referred to in (a) above;
- (c) double-time for all hours worked on a scheduled day of rest.

The compensation of overtime in (a) and (b) is to be on a daily basis and not cumulative.

An employee may choose to receive equivalent compensatory time off in lieu of overtime. Time off will be scheduled at a mutually agreeable time.

16.6 No Layoff to Compensate for Overtime

Employees will not be required to layoff during regular hours to equalize any overtime worked.

16.7 Right to Refuse Overtime

- (a) All employees will have the right to refuse to work overtime, except when required to do so in emergency situations, without being subject to disciplinary action for so refusing.
- (b) When an employee is required to work overtime, the Employer will pay for any dependent care expenses incurred by the employee. Such expenses to be the dependent care expenses normally paid by the employee.

16.9 Rest Interval

An employee required to work overtime beyond their regularly scheduled shift will be entitled to eight clear hours between the end of the overtime worked and the start of their next regular shift. If eight clear hours are not provided, overtime rates will apply to all hours worked on the regular shift which fall within the eight hour period.

16.10 Overtime for Part-Time Employees

(a) A part-time employee working less than the normal hours per day of a full-time employee, and who is required to work longer than their regular working day, will be paid at the rate of straight-time for the hours so worked, up to and including the normal hours in the working day of a full-time employee.

16.11 Authorization and Application of Overtime

An employee who is required to work overtime will be entitled to overtime compensation when the overtime worked is authorized in advance by the Employer. It is understood that, in emergency situations, prior authorization may not be possible.

Employees working in more than one program are obligated to inform the Employer or designate and receive approval if they are asked to work hours that would result in overtime.

The Employer and the Association of Unions recognize that the nature of the work carried out by persons in some classifications is such that it may not be possible for the employee to obtain prior authorization for the necessary overtime work. In such cases, the employee will, when possible, make every effort to obtain authorization. If this is not possible, they will use their discretion in working the overtime and the Employer will be considered to have authorized the time in advance.

	Boxing Day

Any other holiday proclaimed by the federal or provincial governments will also be a paid holiday.

Employees shall be entitled to National Indigenous Peoples Day **and/or Louis Riel Day** in lieu of Easter Monday and/or Boxing Day if their worksite is open.

17.2 Holiday Falling on Saturday or Sunday

For an employee whose normal workweek is from Monday to Friday and when any of the above-noted holidays falls on a Saturday and is not proclaimed as being observed on another day, the following Monday will be deemed to be the holiday. When a holiday falls on a Sunday and it is not proclaimed as being observed on another day, the following Monday (or Tuesday, where the preceding section already applies), will be deemed to be the holiday for the purpose of this agreement.

17.3 Holiday Falling on a Day of Rest

When a paid holiday falls on a regular employee's day of rest, the Employer will make every reasonable effort to give the employee a lieu day off with pay on the first regularly scheduled workday following the day of rest so affected. Where this is not possible, the lieu day will be scheduled by mutual agreement and taken within six months of the day in which it was earned. An employee may, by mutual agreement, take lieu days off together with their vacation in accordance with Clause 18.5 (Vacation Schedules).

17.4 Working on a Designated Lieu Day

If a regular employee is called to work on a day designated as the lieu day, the employee will be compensated at time and one-half for all hours worked and the lieu day will be rescheduled in accordance with Clause 17.3 (Holiday Falling on a Day of Rest).

17.5 Holiday Falling on a Workday

An employee who is required to work on a designated holiday will be compensated at one point five times their regular hourly rate of pay for the hours worked. Regular employees will also receive a day off in lieu. Regular part-time employees receive a day off in lieu as per Clause 17.11 (Paid Holidays for Part Time Employees). The lieu day will be scheduled by mutual agreement or in accordance with Clause 18.5 (Vacation Schedules) or where the Employer and the employee mutually agree, be paid out. The lieu day will be scheduled by mutual agreement and taken within six months of the day in which it was earned or where the Employer and the employee mutually agree, be paid out. An employee may, by mutual agreement, take lieu days off together with their vacation in accordance with Clause 18.5 (Vacation Schedules).

17.6 Holiday Coinciding with a Day of Vacation

Where a regular employee is on vacation leave and a day of paid holiday falls within that period, the paid holiday will not count as a day of vacation.

17.7 Christmas Day or New Year's Day Off

The Employer agrees to make every reasonable effort to ensure that employees required to work shifts will have at least Christmas Day or the following New Year's Day off.

17.8 Paid Holiday Pay

Payment for holidays will be made at an employee's basic pay, except if an employee has been working in a higher paid position than their regular position for a majority of the 60 working days preceding their holiday, in which case they will receive the higher pay.

17.9 Religious and Ethno-Cultural Holidays

An employee will have the option of working Boxing Day and Easter Monday if their worksite is open, in exchange for two paid days off to observe religious and/or other ethno-cultural holidays other than those referenced in Clause 17.1 (Paid Holidays). Employees exercising this option will not be entitled to compensation pursuant to Clause 17.5 (Holiday Falling on a Workday) on Boxing Day and Easter Monday and will provide the Employer with the dates of the alternative two days for which leave will be requested. It is understood that this clause involves no increased costs to the Employer.

17.10 Other Observances

(a) Where established ethno-cultural or religious practices provide for ceremonial occasions, employees may request up to four days' leave without pay per calendar year. Such leave will not be unreasonably withheld.

(b) Employees will provide the Employer with the dates of the four days for which leave will be requested. A minimum of two weeks' notice is required for leave under this provision.

17.11 Paid Holidays for Part-Time Employees

(a) Regular part-time employees will accumulate a paid holiday bank based on **5.0%** of their regular straight-time hours (effective April 1, **2023**) in each pay period including all additional hours worked.

(b) When a paid holiday occurs, and where the employee's paid holiday bank contains sufficient hours, the employee will be able to draw from their paid holiday bank the hours required to cover the paid holiday or paid holiday lieu day. If the employee's paid holiday bank does not contain an amount sufficient to cover the holiday, the employee may opt to draw from their vacation or overtime banks to top-up pay for the holiday or take a day off without pay or with partial pay.

(c) Participation in the "paid holiday bank" was determined by a vote of all employees on an agency by agency basis. Where the unionized employees chose not to participate in the "paid holiday bank" the part-time employees will receive **five (5.0%)** per cent of straight-time pay instead of a day off with pay.

(d) For new certifications, the unionized employees will elect whether or not the agency will participate in the "paid holiday bank" by voting on the option. Once the election is made it is irreversible.

The Employer's current practice with respect to earning vacation and the vacation year will be maintained.

New employees who have not been employed six months prior to the commencement of the vacation year will receive a partial vacation after six months service based on the total completed calendar months employed to the commencement date.

18.2 Vacation Preference

(a) Preferences in the selection and allocation of vacation time will be determined on the basis of seniority within each programme/worksites (see local issues agreement).

(b) An employee will be entitled to receive their vacation in an unbroken period. Employees wishing to split their vacation will exercise seniority rights in the employee's first choice of a vacation period. Seniority will prevail in the second vacation period, but only after all other "first choice" vacation periods have been posted. Seniority will also prevail in further choices in the same manner.

Regular vacations will have priority over vacation time carried over under the provisions of Clause 18.4 (Vacation Carryover).

18.3 Vacation Pay

Upon 21 days' written notice, a regular employee will be entitled to receive, prior to commencement of a vacation, a payroll advance equivalent to the amount of their regular paycheque issued during the vacation period.

At the request of an employee, an Employer who grants vacation pay based on what is earned at the time of taking vacation, may exercise its discretion and advance up to two weeks of unearned vacation to employees to enable the employee to take a paid vacation earlier in the year. Should employment be terminated for any reason prior to the vacation advance being earned, the Employer will offset the unearned vacation advance against amounts owing to the employee.

18.4 Vacation Carryover

(a) A regular employee may carry over up to 10 days' vacation leave per year. Vacation carryover will not exceed 10 days at any time. An employee will not receive pay in lieu of vacation time, except upon retirement or termination, or as requested by the employee in Clause 18.13 (Vacation Payout).

(b) A single vacation period, which overlaps the end of a vacation year, will be considered as vacation for the vacation year in which it commenced. The portion of vacation taken subsequent to but adjoining the end of the vacation year will not be considered as vacation carryover, nor as a seniority choice for the subsequent vacation year.

18.5 Vacation Schedules

(a) Employees will submit their vacation requests to the supervisor on or before:

- (1) November 1st for the period January 1st through April 30th, and
- (2) March 1st for the period May 1st through December 31st.

The Employer will approve the vacation schedules within two weeks of the closing dates for vacation requests. Employees will have a further two weeks to raise any concerns with the Employer about any vacation that may not have been scheduled by seniority.

(b) Vacation requests submitted after the above closing dates will be considered on a first come, first served basis, provided such requests do not interfere with vacations approved in (a) above. The Employer will provide a written response within two weeks of the request and will make every effort to approve the request provided it does not unreasonably interfere with the operation of the Employer.

(c) All vacation time not scheduled, paid out, or designated for carryover by five months prior to the end of the vacation year will be scheduled by the Employer following consultation with the employee.

(d) An employee who relocates to another work location where the vacation schedule has already been completed will not be entitled to exercise their seniority rights for that year only. However, every effort will be made to grant vacation at the time of the employee's choice.

18.6 Vacation Schedule Changes

Vacation schedules, once approved by the Employer, will not be changed, other than in cases of emergency, except by mutual agreement between the employee and the Employer.

18.7 Vacation Pay Upon Dismissal

Employees dismissed for cause will be paid their unused earned vacation allowance pursuant to Clause 18.1 (Annual Vacation Entitlement).

18.8 Vacation Credits Upon Death

Where an employee has designated a beneficiary, earned but unused vacation entitlement will be made payable, upon an employee's death, to the employee's beneficiary, or where there is no beneficiary, to the employee's estate.

18.9 Approved Leave of Absence with Pay During Vacation

When an employee is qualified for compassionate leave, sick leave, or any other approved leave with pay during their vacation period, there will be no deduction from the vacation credits for such leave. In the case of sick leave, this section will only apply when the period of illness or injury is in excess of two days and a note from a qualified medical practitioner may be required. The period of vacation so displaced will be taken at a mutually agreed time. An employee intending to claim displaced vacation leave must advise the Employer and provide necessary documentation within seven days of returning to work.

18.10 Vacation Interruption

(a) Employees who have commenced their annual vacation will not be called back to work, except in cases of extreme emergency.

(b) When, during any vacation period, an employee is recalled to duty, they will be reimbursed for all reasonable expenses incurred by themselves, in proceeding to their place of duty and in returning to the place from which they were recalled upon resumption of vacation, upon submission of receipts to the Employer.

(c) Time necessary for travel in returning to their place of duty and returning again to the place from which they were recalled will not be counted against their remaining vacation time.

18.11 Banked Vacation

Once every five years an employee may bank one full year's vacation to be taken in conjunction with the next year's vacation. For the purposes of this clause, all vacation in the second year must be taken concurrently.

18.12 Prime Time Vacation Period

Subject to the provisions of this article, it is the intent of the parties that no employee will be restricted in the time of year they choose to take their vacation. The Employer will make every effort to allow employees to take their vacation during the period of April 15th to October 15th inclusive, which will be defined as the prime time vacation period.

18.13 Vacation Payout

Where an employee requests in writing to have a specific number of vacation days paid out, and the Employer agrees to the request, the Employer will issue pay in lieu of vacation. Pay in lieu of vacation, if agreed, will be granted only after a minimum of 15 days' vacation time has already been taken in the year.

ARTICLE 19 - SICK LEAVE

19.1 Sick Leave Credits

(a) Premium Reduction

The following sick leave provision may be varied by mutual agreement between the Association of Unions and the Employer in the event further Employment Insurance premium reductions for eligible sick leave plans are attainable under the Employment Insurance Act.

(b) Sick Leave Credits

All employees, whether regular or casual status, after 90 consecutive days of employment shall be entitled to paid sick leave, in accordance with the Illness or Injury Leave provisions of the *Employment Standards Act*. The Act currently prescribes by Regulation up to five (5) days in each calendar year.

Additional sick leave may follow for regular status employees provided that the regular status employee has met all the eligibility and entitlement requirements under this Article. The sick leave benefits in this Article will be adjusted to be inclusive of any period of leave taken in the paragraph above (ie. Sick credits earned will be reduced by any period of leave taken in each calendar year).

Regular employees who have completed their probationary period will accrue sick leave credits at the rate of one day per month to a maximum of 156 days. Upon completion of their probationary period, an employee will be credited with sick leave back to the employee's starting date, **although the employee would be entitled to paid sick leave in accordance with paragraph 1 above after 90 consecutive days of employment**. Upon request, an employee will be advised in writing of the balance of their sick leave credits.

(c) Each sick leave day will be compensated at 80% of the employee's regular rate of pay. **Effective April 1, 2024, each sick leave day will be compensated at 100% of the employee's regular rate of pay.**

(d) All sick leave credits are cancelled when an employee's employment is terminated.

Note: Employees hired prior to April 1, 2004 will have their existing sick banks, as of April 1, 2004, converted at a ratio of one day = one point two five days credited to their sick leave credits. In the event that this adjustment results in an employee's sick leave bank exceeding 156 days, no further sick leave accumulation will apply until such time as the sick leave bank falls below 156 days, in which case the employee's maximum accumulation will not again exceed 156 days.

Note: As of April 1, 2024, all sick bank credits accrued in employees' sick banks will be converted to maintain actual values of the credits (sick credits accrued multiplied by 80%).

19.2 Employee to Inform Employer

(a) The employee will inform the Employer as soon as possible of their inability to report to work because of illness or injury. The employee will make every reasonable effort to inform the Employer of their return to duty in advance of that date.

19.3 Medical/Dental Appointments

(a) Where medical and/or dental appointments cannot be scheduled outside the employee's working hours, sick leave with pay will be granted in accordance with Clause 19.1(c) (Sick Leave Credits).

19.4 Workers' Compensation Benefit

- (a) Employees will receive directly from WorkSafeBC any wage loss benefits to which they may be entitled.
- (b) While an employee is in receipt of wage loss benefits, paid holidays will not accrue.
- (c) An employee will be entitled to use accrued sick leave credits while waiting for WorkSafeBC benefits to be approved. An employee will reimburse the Employer for any sick leave paid to them at such time as WorkSafeBC benefits are received. Upon reimbursement, the Employer will adjust the employee's sick leave bank in accordance with the reimbursement.

The posting will occur** within seven days of the vacancy or of the new position being established, for a minimum of seven calendar days, so that all members will know about the vacancy or new position.

(b) Qualified internal candidates will be considered and interviewed prior to external candidates.

(c) Prior to posting a regular part-time position consisting of hours that are less than required for benefits as per Article 27 (Health and Welfare Benefits), the additional hours will be offered by seniority to regular employees who have the qualifications and work within the programme/worksite (see local issues agreement) in which the hours are available. Where the assignment does not conflict with an employee's regular schedule, the hours will form part of their ongoing regularly scheduled hours.

24.2 Information in Postings

Such notice will contain the following information: nature of position, experience, qualifications, wage or salary rate or range, location, shift schedule, hours per week, the closing date, location where applications are to be sent, and whether the employee is required to use their automobile in the performance of their duties. Qualifications may not be established in an arbitrary or discriminatory manner. The burden of proof of bona fide exceptions rests with the Employer. All postings will also state "*This position requires union membership*".

24.3 Appointment Policy

(b) In filling supervisory vacancies, the determining factors will be ability, performance, and relevant qualifications. These three factors will be given equal weight. Where these factors are relatively equal, seniority will be the determining factor.

(c) Where the ability, qualifications and performance of the internal applicants is clearly insufficient for a posted position, the Employer may appoint an external applicant with the required ability and qualifications whose references indicate a suitable level of performance.

(d) In this article, "performance" means a reasonable assessment of an applicant's fulfilment of their relevant job related duties only, including evaluation reports. It does not include those employee records older than 18 months that must be removed from an employee's file in accordance with Clause 11.4(d) (Right to Grieve Other Disciplinary Action).

24.4 Transfers

(a) It is understood by the parties that the employees may request a transfer on a temporary basis, in cases where it is unsafe for the unborn child of a pregnant employee.

(b) In certain other cases, relocation may be in the best interest of the employee and/or the Employer. In such cases, and where bona fide reasons exist, transfers may take place. Other than where Clause 11.9 (Employee Investigations) applies, the Employer will provide written reasons for permanent transfers, a minimum of 15 days prior to transfer.

24.5 Trial Period

(a) When a vacancy is filled by an existing employee, the employee will be confirmed in the new job after a period of three calendar months. In the event the applicant proves unsatisfactory in the position during the trial period, the Employer may extend the period for a further three months. If the employee is unable to perform the duties of the new job, they will be returned to their former position and wage or salary rate without loss of seniority.

(c) Any other employee promoted or transferred because of rearrangement of positions will be returned to their former position and wage or salary rate without loss of seniority. The trial period for part-time employees will be equal to three months of full-time, but in any event will not exceed six calendar months.

(d) The trial period will be extended by an amount equal to any absences of the employee that occur during their trial period and that are greater than two weeks in duration. Employee absences may result in the trial period extending beyond the six calendar months referred to above. An extension does not affect the employee's entitlement to health and welfare benefits as per Clause 27.1 (Eligibility).

The Union will be notified of any extensions to an employee's trial period.

24.6 Local Union Observer

The President of the Union or their designate may, upon an applicant's request, sit as an observer on a selection committee for posted positions within the bargaining unit. The observer will be a disinterested party.

 - (3) The parties will meet to develop a Joint Statement of Facts. The Joint Statement of Facts does not preclude either party from leading evidence that is disputed so long as the evidence meets the other guidelines of this protocol.
 - (4) The parties will disclose all information they intend to rely upon in relation to the selection dispute. If there is a dispute over disclosure of documentation the parties may contact the Arbitrator by telephone conference call and request an order for disclosure.
 - (5) The process is intended to be informal and expeditious and therefore, the parties agree not to use outside legal counsel for expedited hearings;
 - (6) All presentations are to be short and concise;
 - (7) Each case will begin with a comprehensive opening statement by each side;
 - (8) Prior to rendering a decision, the Arbitrator will assist the parties in mediating a resolution to the grievance.
 - (c) Where mediation is not successful, the hearing will proceed as ordered by the Arbitrator and a decision will be rendered on the following basis:

- (1) The Arbitrator will render a decision within two working days of the hearing.
- (2) No written reasons for the decision will be provided beyond that which the Arbitrator deems appropriate to convey a decision. This process is not intended to prevent the Arbitrator from allowing the parties to agree upon a remedy.
- (3) The decision of the Arbitrator is without prejudice. These decisions will have no precedent and value.
- (4) All settlements of expedited arbitration cases prior to or during the mediated part of this expedited process will be without prejudice.

Should an employee require a leave of absence from duties for the interview, their supervisor will be notified as soon as the requirement to appear for an interview is made known.

Where the evaluation interview is held outside the employee's working hours, the employee will be paid at the appropriate rate of pay. (a) Where an employee produces reasonable proof that personal possessions are damaged by a person in the care or custody of the Employer, the Employer will pay, to a maximum of \$150, repair costs, replacement costs, or personal deductible insurance provided such personal possessions are of a type suitable and authorized for use while on duty.

(b) The Employer will pay, for the repair or the replacement cost of prescription eyewear, hearing aids and other prescribed accessibility aids under this article to a maximum of \$400. Replacement and repair costs for eyewear, hearing aids and other prescribed accessibility aids will only be considered after the employee has made an unsuccessful claim under WorkSafeBC for replacement or repair of the prescription eyewear, hearing aids and other prescribed accessibility aids.

(c) Appropriate receipts will be required to receive reimbursement from the Employer.

(d) In the event the damage is to the employee's automobile, the insurance deductible will be paid to a maximum of \$500.

28.2 Personal Property

On request, and with reasonable notice, the Employer will provide a secure space for employees to store personal possessions, wallets, and/or purses when the employees are at the employees' headquarters/worksites.

28.3 Supply and Maintenance of Equipment

It is the responsibility of the Employer to furnish and maintain all equipment, machinery and supplies required by employees in the performance of their duties. Employees will not suffer any loss in salary in the event that they cannot carry out their normal duties by reason of the Employer failing to properly maintain equipment, machinery or supplies or by reason of power failures or other circumstances not attributable to the employees.

28.4 Indemnity

(a) Civil Actions - Except where there has been gross negligence on the part of an employee, the Employer will:

- (1) exempt and save harmless employees from any liability action arising from the proper performance of their duties for the Employer; and
 - (2) assume all costs, legal fees, and other expenses arising from any such action.
- (b) Criminal Actions - Where an employee is charged with an offence resulting directly from the proper performance of their duties and is subsequently acquitted, the employee will be reimbursed for reasonable legal fees.
- (c) The Employer will have the sole and exclusive right to settle any claim, action or judgment or bring or defend any litigation in respect of them.

28.5 Copies of Agreement

- (a) The Association of Unions and the Employer desire every employee to be familiar with the provisions of this agreement, and their rights and obligations under it. For this reason, the parties will **make electronic copies available to employees and print** sufficient copies of the agreement for distribution to employees.
- (b) The Community Social Services Employers' Association and the Association of Unions will share the cost of printing and distribution.
- (c) The agreements will be printed in a union shop and bear a recognized union label.

28.6 Contracting Out

The Employer will not contract out bargaining unit work that will result in the layoff of employees.

28.7 Personal Duties

The Employer and the Association of Unions agree that an employee will not be required to perform work not related to the business of the Employer. To this end, it is agreed that an employee will not be required to perform duties of a personal nature for supervisory personnel.

28.8 Administration of Medication

Employees required to administer or apply medication(s) prescribed by a qualified medical practitioner, will be trained at the Employer's expense. Employees who have not received this training will not be permitted to administer such substances.

28.9 Job Descriptions

The Employer agrees to supply each employee with a copy of their current job description. The Union and the Bargaining Unit Chair will be provided copies of all job descriptions in the bargaining unit.

28.10 Staff Confidentiality

Any confidential personal information about staff of the Employer, which is directly learned by the Employer in the normal course of business, will be treated as strictly confidential and the Employer will take all reasonable precautions to safeguard it.

28.11 Required Certificates

Where the Employer requires an employee to be qualified to perform first aid duties, or required to hold certificates or licences, the cost of renewing the required certificate(s) will be borne by the Employer.

Time spent at the course for certificates will be considered time worked and will be compensated at the appropriate rate of pay.

This does not include the renewal of a Class 5 Driver's License.

28.12 Volunteers

It is agreed that volunteers have a role to fill in the Employer's operation and are an important link to the community being served. The use of volunteers will not result in the layoff of bargaining unit employees.

ARTICLE 29 - HARASSMENT

Preamble

The Employer and the Association of Unions agree that every person working in the social services sector has the right to work in an environment free from harassment. The parties will work jointly to support and implement education and prevention efforts to address harassment.

29.1 Personal and Psychological Harassment

(a) Personal and psychological harassment, **which may include lateral violence, of a repeated, persistent, or singular incident, is** conduct that an individual would reasonably conclude:

- (1) creates a risk to a worker's psychological or physical well-being, causes a worker substantial distress, or results in an employee's humiliation or intimidation; or
- (2) is discriminatory behaviour that causes substantial distress and is based on a person's race, colour, ancestry, place of origin, political beliefs, religion, marital status, physical or mental disability, sex, age, sexual orientation or gender identity; or
- (3) is seriously inappropriate and serves no legitimate work-related purpose.

(b) Good faith actions of a manager or supervisor relating to the management and direction of employees - such as assigning work, providing feedback to employees on work performance, and taking reasonable disciplinary action - do not constitute harassment.

29.2 Sexual Harassment

(a) Sexual harassment, **whether a repeated, persistent, or singular incident,** includes sexually oriented verbal or physical behaviour which an individual would reasonably find to be unwanted or unwelcome, giving consideration to all surrounding circumstances and which may detrimentally affect the work environment. Such behaviour could include, but is not limited to:

- (1) touching, patting or other physical contact;
- (2) leering, staring or the making of sexual gestures;
- (3) demands for sexual favours;
- (4) verbal abuse or threats;
- (5) unwanted sexual invitations;
- (6) physical assault of a sexual nature;

- (7) distribution or display of sexual or offensive pictures or material;
- (8) unwanted questions or comments of a sexual nature;
- (9) practical jokes of a sexual nature.

(b) Sexual harassment will often, but need not, be accompanied by an expressed or implied threat of reprisal or promise of reward.

(c) Persons may be Two-Spirit, cisgender, transgender, non-binary, agender, and/or gender-nonconforming. Sexual harassment refers to behaviour initiated by any person and directed toward any other person.

29.3 Harassment Complaints

(a) An employee with an allegation of harassment is called the complainant and the person who they are making a complaint against is called the respondent.

(b) A harassment complaint is not a grievance. The complainant must follow this complaint process. However, any action taken by the Employer as a result of the complaint process may be grieved.

(c) All complaints will be kept confidential by the complainant, the respondent, the Employer, the Union and witnesses.

(d) The complainant and the respondent (if they are a member of the Union) have the right to union representation.

(e) A complainant may try to informally resolve their complaint with the assistance of a supervisor, manager, steward, union staff representative or mediator. If the complainant is satisfied with the outcome reached at this point, the complaint is resolved.

(f) Until a harassment complaint is resolved, the Employer may take interim measures, including separating the complainant and respondent.

(g) A complainant has the right to file a complaint under the Human Rights Code of British Columbia.

29.4 Complaints Procedure

(a) A formal complaint must be submitted in writing within six months of the last alleged occurrence.

(b) A complaint must be submitted through the Union and/or directly to the Executive Director (or the equivalent or designate). When the Executive Director has received a complaint, they will notify the respondent and the union staff representative of the substance of the complaint in writing within 15 days.

(c) The complaint must contain the specific instance(s) and date(s) that the alleged harassment occurred, the names of any witnesses, an explanation of how the action constitutes a violation of Article 29 (Harassment), and the remedy sought.

(d) The Executive Director or their designate will investigate the complaint and will complete their report in writing within 30 days.

(e) The Employer will take action to resolve the complaint within 10 days of receiving the investigator's report.

- (f) The Employer will advise the respondent, the complainant and the Union in writing of the substance of the investigator's report and the resolution of the complaint.
- (g) If the resolution involves separating employees, reasonable efforts will be made to relocate or reschedule the respondent. The complainant may agree in writing to be transferred or rescheduled.
- (h) If the resolution involves separating an employee and a respondent who is not an employee, reasonable efforts will be made to remedy the situation.
- (i) If the respondent is the Executive Director (or equivalent), or where there are possible systemic issues or multiple complaints, the following process will be used:
- (1) The complainant will contact the Union.
 - (2) As soon as possible but within 30 days the Union will notify the Executive Director (or equivalent) and CSSEA. Clause 29.4 (a) and (c) apply to the notice. CSSEA will inform the Employer's Board of Directors.
 - (3) CSSEA and the Union will appoint **an Investigator** to resolve the complaint from **Appendix B – List of Arbitrators** (The person appointed is referred to below as "the Appointee").
 - (4) After consultation with the parties involved, the Appointee will establish the process to resolve the complaint. The process may include - at the Appointee's discretion - any of the following (or any combination of them): fact-finding, mediation, making recommendations or a full report, or conducting an expedited arbitration. In exercising their discretion with respect to the process, the Appointee will consider the parties' desire that the process be fair and expeditious, that it minimizes disruption in the workplace, that it respects individual privacy to the degree possible in the circumstances, and that it keeps costs to a reasonable level. The Appointee will submit any report or recommendations to CSSEA and the Union. The report and recommendations will remain confidential, except for distribution to the Employer's Board of Directors, the complainant and the respondent. The Appointee may stipulate conditions she/he deems appropriate with respect to distribution. Any outcomes of the process are without prejudice or precedent for other proceedings.
 - (5) The Appointee's fees and expenses will be shared by the Employer and the Union.
- (j) The Employer may take appropriate action, including discipline, against a complainant if the investigation determines that the complaint is frivolous, vindictive or vexatious.

ARTICLE 30 - CASUAL EMPLOYEES

30.1 Employment Status

Casual employees are employed on an "on call" basis to cover absences of a regular employee or augment staff during peak periods where regular employees, as per Clause 14.2(e) (Hours of Work) have not requested topped up hours. These periods will not exceed three months without the agreement of the Union. Casual employees will be considered in-service applicants when applying for vacancies.

30.2 Seniority

- (a) The Employer will maintain a seniority list of casual employees which will be supplied every two months to the Union and posted on all union bulletin boards.

(b) Casual employees will accumulate seniority retroactive to their start date after having worked 30 days. Seniority will accumulate on an hourly basis for all hours paid, and upon written notification by the Union, the hours paid for union business.

(c) Upon return to work from Maternity or Parental Leave, receiving WorkSafeBC or ICBC or any other insurance provider for an injury or illness incurred during employment with the Employer, casual employees will be placed in the same relative position on the seniority list. The employee will be credited with seniority hours based on the difference in hours between the next lower position on the seniority list at the time the employee went off work. A casual will continue to accrue seniority for leaves as per Clause 3.10 (Time Off for Union Business).

(d) When a casual employee is hired into a regular position, the total hours worked will be converted and credited as seniority in accordance with Clause 12.1 (Seniority Defined) and as continuous service for the purposes of Clause 18.1 (Annual Vacation Entitlement).

30.3 Casual Call-In Procedures

(a) Qualified casual employees will be offered work assignments in order of seniority. See Memorandum of Agreement #1 (Re: Local Issues).

(b) The Employer must keep appropriate records (including the date/time/position/location of the vacancy, date/time of notice of vacancy, date/time of offer of vacancy, name of person offering the vacancy, names of employees offered the vacancy, and if employees accept/decline/don't respond) and make them available in the event of a dispute.

30.4 Leaves of Absence

(a) The Employer will grant, on written request, leave of absence without pay and seniority:

(1) for casual employees to seek election in a federal, provincial, municipal, First Nation or other Indigenous election for a maximum period of 90 days; and

(2) for casual employees elected to a public office for a maximum period of five years.

(b) A casual employee eligible to vote in a federal, provincial, municipal or First Nation or other Indigenous election or a referendum will have four consecutive clear hours during the hours in which polls are open in which to cast their ballot.

(c) In the case of compassionate leave, casual employees are entitled to leave as per Clause 20.1 (Compassionate Leave) without pay.

(d) Attendance at court arising from employment will be with pay and travel expenses if required.

(e) Notwithstanding any provision for leave in this agreement, the Employer may grant a leave of absence without pay to an employee requesting leave for an emergency or other unusual circumstances. All requests and approvals for leave will be in writing. Upon request, the Employer will give reasons for withholding approval.

(f) An employee who resigns their position and within 60 days is re-employed, will be granted a leave of absence without pay covering those days absent and will retain all previous rights in relation to seniority.

30.5 Paid Holidays and Vacation for Casual Employees

Casual employees will receive **10.6%** of their straight-time pay in lieu of scheduled vacations and paid holidays (effective April 1, **2023**).

30.6 Application of Agreement to Casual Employees

The provisions of Article 13 (Layoff and Recall), Clause 14.5 (Flextime), Clause 14.7 (Standby Provisions), Article 17 (Holidays), Article 18 (Annual Vacations), Article 19 (Sick Leave), Article 20 (Special and Other Leaves), Article 23 (Technological Change), Article 27 (Health and Welfare Benefits) and Article 31 (Municipal Pension Plan) **except as set out in the Plan Rules**, do not apply to casual employees.

30.7 Statutory Holidays

A casual employee who works on a designated holiday will be compensated at time and one-half for the hours worked.

30.8 Regular to Casual Status

Regular employees may apply to transfer to casual status. Upon transfer such employees will be entitled only to such benefits as are available to casual employees. Such employees will maintain all accumulated seniority to the date of transfer.

An employee who transfers from regular to casual status will have their regular sick bank frozen and inaccessible until such time as the employee posts back to regular status or posts to a vacancy under Clause 24.11 (Temporary Vacancies).

30.9 Use of Technology

- a) **The Employer may offer work assignments to all eligible employees on the call-in lists by use of technology, such as text messaging and electronic scheduling programs that allow for automation and/or for all employees on call-in lists to be contacted at the same time.**
- b) **The employer will discuss their intention to introduce technology for call-in procedures with the Union.**
- c) **To support the transition to using a new process or to introduce technology, the employer will clearly outline the process with employees prior to implementation.**
- d) **To the extent necessary, the parties will meet to negotiate amendments to the local issues MOA to achieve consistency in terms with newly introduced technologies.**

30.10 Absences

Employees who accept work assignments offered must work those assignments except where they have a valid reason for absence (for example and not limited to: illness, injury, emergency or other reasonable circumstance) and will notify the Employer of such absence as soon as possible prior to the start of their shift.

30.11 Minimum Availability

Except as expressly set out in local issues memoranda provisions relating to unavailability, work refusals and/or removal from casual lists/employment, the following provisions shall apply:

In order for a casual employee to maintain employment, the casual employee shall work a minimum of 200 hours over any fixed 12 month period, or a lower minimum number of hours as agreed between the Employer and employee in writing, and copied to the Union.

Where a casual employee has not worked the minimum hours by the end of the 9th month of the fixed 12 month period, the employer will notify the employee in writing to advise on how many hours the employee has worked to date and that they risk being removed from the call in list in accordance with this article.

Except where a casual employee provides bona fide reason(s), the casual employee may be removed from the casual list and, if so, their employment will end if they do not work the identified minimum number of hours. A casual employee shall be exempted from this requirement where the Employer has not offered the casual employee the minimum number of hours over the fixed 12 month period.

A casual employee who is removed from the casual list as set out above will be notified of their termination of employment following the expiration of the fixed 12 month period, and will have ten (10) days to provide bona fide reason(s) for remaining on the casual list.

ARTICLE 31 - MUNICIPAL PENSION PLAN

- (a) An employer will provide the Municipal Pension Plan (MPP) to all eligible employees.
- (b) Employees of record on March 31, 2010, who meet the eligibility requirements of the MPP, have the option of joining or not joining the MPP. Eligible employees who initially elect not to join the MPP on April 1, 2010, have the right to join the MPP at any later date but will not be able to contribute or purchase service for the period waived.
- (c) All regular full-time employees hired after March 31, 2010, will be enrolled in the MPP upon completion of the earlier of their probationary period or three months and will continue in the plan as a condition of employment. Full-time hours of work are defined in the local issues agreement specific to each employer.

Regular part-time employees and casual employees hired after April 1, 2010, who meet the eligibility requirements of the MPP have the right to enrol or not enrol in the MPP. Those who initially decline participation have the right to join the MPP at any later date.

The MPP rules currently provide that a person who has completed two years of continuous employment with earnings from an employer of not less than 35% of the year's maximum pensionable earnings in each of two consecutive calendar years will be enrolled in the Plan. This rule will not apply when an eligible employee gives a written waiver to the Employer.

- (d) Employers will ensure that all new employees are informed of the options available to them under the MPP rules.
- (e) Eligibility and terms and conditions for the pension will be those contained in the Municipal Pension Plan and associated documents.

(f) If there is a conflict between the terms of this agreement and the MPP rules, the MPP must prevail.

APPENDIX A

Wage Grid

The following general wage increase will be granted to all employees *:

- Effective the first full pay period following April 1, 2022:
 - Low Wage Redress of **\$22,366,929** (see below; this allocation to be applied first),
 - **\$0.25/hour** increase to all wage grids (to be applied second),
 - **3.24%** increase to all wage grids.
- Effective the first full pay period following April 1, 2023 – **5.5%** increase, **plus up to another 1.25% if the COLA clause ** as set out below is triggered,**
- Effective the first full pay period following April 1, 2024 – **2.0%** increase, **plus up to another 1.0% if the COLA clause ** as set out below is triggered.**

*An employee paid above the wage grid will be granted the same wage increases at that time when the wage grid meets or exceeds the employee's current wage rate for the classification. Until that time, their wage rates continue to be maintained at current levels, subject to receiving 50% of the above general wage increases for the term of this collective agreement, in accordance with this Appendix. No other wage adjustments will be granted.

**** Cost of Living Adjustments (COLA):****Definitions**

“General Wage Increase” or “GWI” means the overall general wage increase expressed as a percentage.

“Cost of Living Adjustment” or “COLA” means a percentage-based general wage increase adjustment provided in accordance with this Memorandum of Agreement. COLA is an upward adjustment applied to and folded into all wage rates.

The “annualized average of BC CPI over twelve months” (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The “Latest 12-month Average Index”, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on the first pay period after April 1, 2023 and April 1, 2024. The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule – Grids.

April 2023

If the 2023 AABC CPI exceeds the April 2023 GWI of 5.5%, then, on the first pay period after April 1, 2023 the April 2023 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2023 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

April 2024

If the 2024 AABC CPI exceeds the April 2024 GWI of 2.0%, then, on the first pay period after April 1, 2024 the April 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2024 GWI and the 2024 AABC CPI up to a maximum of 1.00%.

Details of timing and application of increases can be found in the Appendices that follow. **New wage grids will be posted on both the Union's and CSSEA's websites once they are known. (Done in April 2023; the following to be replaced with the posted grids.)**

Note: The Step 4 rate for unique jobs will be determined by the JJEP and will be subject to the increment steps above.

A. Implementation (Effective April 1, 2004)

Casual employees hired prior to April 1, 2004 will be paid at Step 4 of the classification in which the casual employee is working.

B. Wage Protection

Wage protection will apply to regular employees hired prior to April 1, 2004, who have a pay rate greater than the Step 4 rate in Appendix A (Wage Grid), unless the employee successfully posts into a lower classification.

Wage protection will apply to casual employees hired prior to April 1, 2004, who are paid at Step 4 of the classification in which the casual employee is working [see Appendix A (Wage Grid)].

Effective April 1, 2013, an employee with wage protection will receive 50% of all general wage increases until the new wage rate for their classification meets or exceeds their existing wage rate. Such increases shall be recognized as incumbent specific.

Wage protection applies to:

- additional straight-time hours worked by a regular full-time and regular part-time employee as per Clause 14.2(e) (Hours of Work) in their classification;
- overtime hours in the employee's classification;
- statutory holidays/annual vacation pay/sick leave; and
- assignment of regular hours as per Clause 24.1(c) (Job Postings) in the employee's classification.

Wage protection rates do not apply to:

- additional straight-time hours worked by a regular full-time and regular part-time employee as per Clause 14.2(e) (Hours of Work) in a classification other than the employee's own. In such circumstances, they will be paid at Step 4 of the classification in which the employee is working.

An employee will lose their wage protection (status) rates:

- if they post to a different classification prior to April 1, 2013;
- when they are demoted by the Employer as a result of disciplinary action;
- when regular employees achieve a casual position except where it is a temporary assignment directed by the Employer;
- when they bump under layoff provisions into a different job family or into a different grid level.

C. Increment System (subject to B. Wage Protection)

Regular Employees

Regular employees appointed, in accordance with Article 24 (Promotion and Staff Changes), to a higher grid level will be placed on the grid in accordance with Clause 26.5 (Rate of Pay on Reclassification or Promotion) of the collective agreement. Regular employees will remain at that step until they meet the hours for the next step. Increment hours calculations start on the first day in the new classification.

Regular employees appointed, in accordance with Article 24 (Promotion and Staff Changes), to a lower grid level will be placed at the step immediately lower than their rate. Regular employees will remain at that step until they meet the hours for the next step. Increment hours calculations start on the first day in the new classification.

Regular employees appointed, in accordance with Article 24 (Promotion and Staff Changes), within the same grid level will retain their rate. Regular employees will remain at that step until they meet the hours for the next step. Increment hours calculations start on the first day in the new classification.

Regular employees who are laid off and displace employees in another classification will be placed at the rate which corresponds to the total number of hours the employee worked within the classification of the displaced employee.

Casual Employees

A casual employee appointed, in accordance with Article 24 (Promotion and Staff Changes), to a regular position will be placed at the appropriate step given the total number of hours the employee worked within the classification they were appointed to.

D. Non-Provincially Funded Positions ("NPF")

During the term of the collective agreement, the parties will negotiate local Memoranda of Agreement that apply to NPF positions. CSSEA and CSSBA may delegate their negotiations to the local Employer and Union.

Such agreements are subject to CSSEA and CSSBA approval. If negotiations do not result in an agreement, the new terms and conditions will be resolved by Interest Arbitration using an arbitrator named in Appendix B (List of Arbitrators).

Existing memoranda and letters that apply to NPF positions will remain in full force and effect until the above noted negotiations produce an agreement.

Any and all memoranda and letters that apply to NPF positions will be without prejudice.

Pursuant to Memorandum of Agreement #9 (Re: Joint Job Evaluation Plan), the parties agree that the **above** wage grids will be **in effect**. Sections A through to D of Appendix A (Wage Grid) will continue to apply.

APPENDIX A1

Details of Wage Increases

The timing and percentages of the increases **are as set out above**, effective at the start of the first pay period after the respective dates.

Low Wage Redress

Within thirty (30) days after ratification, the parties will convene their current Joint Classification Technical Committee (the Committee) to review the compensation of CSSEA occupations similar to occupations under the Facilities Health Collective Agreement and CSSEA paraprofessional occupations similar to occupations under other Health Sector Collective Agreements. The review will be for the purpose of updating the JJEP and improving upon comparability with the Health Sector, while maintaining the integrity of the JJEP classification system.

The above review **will commence within 7 days of ratification and** must be completed **within 4 weeks**.

The expenditure resulting from the Committee's review must be fully utilized but cannot exceed a total ongoing amount at the end of the collective agreements of **\$22,366,929**.

Wage Rate Review – Low Wage Redress increases shall be determined using the following principles:

- **The Committee will refer to comparator occupations from the 2019 – 2022 Collective Agreements.**
- The difference in wage rates is adversely affecting the provision of service to clients
- There is a reasonable expectation that the comparability wage adjustment will reduce this adverse impact, and
- The comparability wage adjustment will not create additional demands in other sectors.

MEMORANDUM OF AGREEMENT #10

Re: Continuity of Service and Employment

The parties agree to abide by the Continuity of Service and Employment Memorandum which was signed **by the Provincial Government, CSSEA, and CSSBA, on June 13, 2013 and renewed in subsequent rounds of bargaining, which is revised for the current round, and reads as follows:**

Definitions

To the extent that this Memorandum of Understanding ("the MOU") does not otherwise define a word or phrase, the definitions in the Labour Relations Code and the Community Services Labour Relations Act apply.

In the MOU:

"CLBC" means Community Living British Columbia.

"Contracting" includes requests for proposals, other tendering activity, and contracts entered into, where the successful proponent will provide substantially the same services as those being provided by a CSSEA member. The term does not include, however, arrangements to provide new programs or services; the use of volunteers or family home providers; the direct funding of individuals or families; or the awarding of contracts or transferring services or programs to Indigenous agencies.

"CSSEA member" means an employer designated as a social services employer under the Public Sector Employers Act, and includes agencies and Authorities.

"Employee" means a regular employee (full-time or part-time) in a bargaining unit of a CSSEA member.

"Province" means any provincial Ministry to the extent the Ministry funds into the community social services sector.

General Principles

The purpose of the MOU is to promote client service and employment continuity.

Contracting must comply with the principles and processes set out in the MOU.

No party to the MOU will ask an arbitrator or other tribunal to find that the province, CLBC, an Authority or an agency is a "true employer" or "common employer" as a result of provisions of the MOU.

No party to the MOU will apply to the Labour Relations Board for a variance under this MOU without giving notice to all the affected parties, including individual unions that may be affected.

The MOU does not operate with respect to any contracting commenced prior to December 1, 2013, and it expires for all purposes on October 31, **2025**.

Service and Employment Continuity

The following provisions apply to contracting by the Province, CLBC, Authorities and by CSSEA members.

1. Where services are being provided by CSSEA members as of December 1, 2013, the Province, CLBC, an Authority and CSSEA members will enter into contracts with respect to those services only:

(a) with CSSEA member, or

(b) with proponents who, although not current CSSEA members, agree to be designated as CSSEA members (i.e. for purposes of the employees providing the contracted services) if and when they are awarded the contract.

2. Where an employee's services are no longer required as a result of contracting, the employee is entitled to priority hiring over external applicants, with the successful proponent (hereinafter "the receiving Employer") in accordance with the following provisions:

- (a) The receiving Employer will determine the number and manner of vacancies created in the program.
- (b) Displaced employees wishing priority access must submit an application for employment. This provision does not preclude casual employees from receiving work where work is available.
- (c) Displaced employees will be interviewed and assessed, and to be eligible for hire, they must meet the receiving Employer's required qualifications, as per the collective agreement, and have the present capability to perform the work. Employees on leave at the time of contracting will be assessed by the receiving Employer for a vacancy, at the end of their leave, per the collective agreement.
- (d) Accepted employees will receive credit for service and port their seniority. This will include casual employees where they are offered work.
- (e) In the event several employees are interested in a single position, the successful candidate will be determined by the receiving Employer, pursuant to the collective agreement.
- (f) Where employees are integrated into an existing certification, the employees will be represented by the union representing the employees in that certification and will receive the terms and conditions of employment applicable to that certification.
- (g) Grievances arising from this Memorandum are with the receiving Employer.
- (h) This memorandum will also apply to agencies who become members of CSSEA by virtue of the Order in Council (OIC) six months following such order.
- (i) A displaced employee who is enrolled in a pension plan that is the same as the pension plan at the receiving Employer will have access to the pension plan only in accordance with the plan rules. If the pension plan is different the employee will have the right to participate in the new plan consistent with the terms of the plan. This language does not confer a right to a pension plan where no such plan exists, nor does it expand the rules of any pension plan.

This memorandum of agreement is subject to the ratification by CSSEA and CSSBA of their tentative agreements pursuant to their Memorandum dated **February 3, 2023**.

Re: Schedules to Meet Emerging Client Needs

The parties acknowledge that service delivery models to community social services clients continue to evolve and new service needs may emerge that have yet to be supported by the parties under their collective agreement. The parties agree that it is a priority to facilitate access to services, and further agree that new types of scheduling provisions should be explored in order to deliver the community social

MEMORANDUM OF AGREEMENT #19

Re: Social Services Retention and Portability Clause

Preamble

The parties have a desire to enhance the recruitment and retention and access to quality sustainable services to clients by offering certain benefits when regular employees move directly from a CSSEA member Employer to another CSSEA-member Employer within the Community Social Services Sector.

Employer participation

Employer participation in this program is strictly voluntary and on a case by case basis. Where an Employer chooses to participate in the portability program, the employee shall have noted in their letter of hire that the portability clause applies. To be eligible employees must have terminated employment with the previous CSSEA-member employer in the previous 12 months.

Portability

Once hired, the new regular employee will serve a probationary period in accordance with Clause 11.8. Upon successful completion of the probationary period, the employee will be credited with the portable benefits as follows:

(a) Vacation - Clause 18.1

It is recognized by the parties, that any earned but unused vacation shall be taken or paid out by the previous CSSEA-member employer prior to commencing employment with the new Employer. An employee's continuous service date will be adjusted to reflect their service with their previous Employer for the purpose of vacation entitlement.

(b) Wages - Appendix A

An employee's hours worked in the same or similar classification (determined by JJEP) as the one obtained with the new Employer will be recognized to determine the appropriate increment step under Appendix A - Wage Grid.

The term "hours" means:

- (1) hours worked by the employee,
- (2) hours of paid vacation,
- (3) paid holidays,
- (4) paid union leave up to 20 days per year.

The employee's wage will be placed on the appropriate step of the classification commensurate with their accumulated hours worked in that classification with the previous CSSEA-member employer. The new

employee's first day of employment becomes the increment anniversary date for the accumulation of hours required to move to the next step.

(c) Municipal Pension Plan

Eligible employees will be brought within the scope of the Municipal Pension Plan in accordance with the Plan Rules.

Benefits Not Portable

For clarity, wage protection and benefits superior to those provided by the collective agreement shall not be portable, and Clause 26.12 is not applicable.

Terms of MOA

The provisions of this memorandum will not apply to any other article in the collective agreement and all other terms and conditions of the collective agreement remain unchanged.

Nothing in this memorandum fetters the Employer's right to hire non-CSSEA member candidates at a higher rate of pay in accordance with Clause 26.12.

MEMORANDUM OF AGREEMENT #22

Re: Float Positions

It may be operationally more efficient and cost effective to utilize regular float positions to backfill regular employees as set out in clause 14.2, local issues agreements, and clause 30.1 – Casual Employees, or to address other workload needs. Further, this matter may be discussed at any time with local union representatives or by the Labour Management Committee which shall consider factors such as utilization of casual employees.

Where the Employer establishes float positions, they will be posted in accordance with Article 24. The posted FTE will be as high as practicable given anticipated need, and in any event, the position will be eligible for health and welfare benefits under Article 27.1.

The information in the vacancy posting shall include the matters identified in Article 24.2, to ensure that applicants are aware of the expectations around work locations, shift schedules and hours per week, with the following variations:

- a) Location – this may include multiple work locations within a reasonable distance from each other. The workplaces will be identified in the posting so that applicants are aware of the locations they may be assigned. Float positions will be entitled to the transportation allowance in accordance with Article 26.9 should they be required to travel after reporting to work.
- b) Shift schedule – the job posting (whether full-time and part-time) will include designated work days and hours of work. However, in order to accommodate the scheduling of a float employee to shifts with different start and stop times at the work location(s), the job posting may also include a required period of daily availability during which the float employee will be scheduled. The required period of daily availability will be no more than two (2) hours greater than the daily posted hours for float employees with shifts of 7 hours or more, and will be no more than one (1) hour greater than the daily posted hours for float employees with shifts of less than 7 hours.
- c) Extended Hours - If the employee is expected to work extended hours, based on existing schedules, the hours and rotation will also be identified in the posting.

Float pool employees are entitled to all the provisions of the Collective Agreement including Article 15 – Shifts. In relation to Article 15.4 Split Shifts, the parties agree that a float employee may, based on existing schedules, work split shifts if assigned to work in a program where split shifts are already established. Further, in relation to Article 15.5(a) Work Schedules, due to the nature of float positions, the requirement to post precise work schedules does not apply.

Float positions will report to a single designated supervisor.

Where no work is available, employees in float positions shall be utilized productively, including having priority to work casual shifts in substitution of casual status employees who may have already been scheduled. However, employees who have commenced work for the day will not have their shift cancelled.

This Article will not apply where there are local issues agreements addressing the establishment of float positions.

Re: Lateral Violence

The parties also agree that in order to recognize, address and prevent lateral violence from occurring in the workplace, further discussion on the definition and causes is necessary.

Within 30 days of ratification of the collective agreement, the CSSBA and CSSEA will form a joint committee to further discuss and develop language on the definition, causes and potential alternate dispute resolution process for addressing lateral violence in the workplace.

The Joint Committee will consist of an equal number of representatives from the unions and employers and will report to the Sector Committee. The Joint Committee may also invite subject-matter experts to its meetings.

No later than eight months prior to the end of the term of the agreement, the Joint Committee will make recommendations to the bargaining principals on a definition and alternate dispute resolution process to include in a renewal agreement.

Re: Non-Provincially Funded Childcare Positions

The parties acknowledge that the Provincial Government is undertaking a process to make quality child care affordable and accessible to all British Columbians. As part of implementing an affordable universal child care program in British Columbia, the Provincial Government has made a commitment to provide fair compensation for child care workers within the Province of BC.

The parties agree that access to quality child care is a priority. The parties agree to the following:

1. Within 30 days of a Government announcement of new or enhanced programs to increase compensation for child care workers, the parties will convene to resolve how the program can be used to increase the compensation for eligible childcare positions, taking into account such factors as:

- inequities experienced by employees covered by this Collective Agreement;
- maintaining the integrity of JJEP system; and
- other factors as they may arise.

2. This may require the parties to reopen the locally negotiated agreements as it pertains to the child care positions targeted by Government for compensation **funding**.

The parties will reconvene within 60 days if any subsequent targeted funding for compensation from government is confirmed.

MEMORANDUM OF AGREEMENT #26

Re: Child Care Employees – Lump sum payment

\$2/hour will be paid to child care classifications as set out in the Early Childhood Educator Wage Enhancement Funding Guidelines for each hour paid by the Employer from September 21, 2021 to March 31, 2022. This lump sum payment will be paid to eligible employees in either provincially funded or non-provincially funded (NPF) programs, who:

- (1) are governed by the JJEP,

- (2) were otherwise eligible for the ECE Wage Enhancement of \$2 per hour payable to eligible Childcare Workers starting September 2021, and
- (3) did not receive the payments.

This lump sum payment will originate from a \$400,000 Fund (the "Fund"). Once the Fund is depleted, no further payments shall be required to be made by any employer. Should there be residual monies remaining in the Fund, it shall be redirected to the Other Training Fund.

Re: Public Sector Wage Increases Letter of Agreement ("me-too" clause)

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the Collective Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This Letter of Agreement is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

4. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.

5. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
6. This Letter of Agreement will be effective during the term of the Collective Agreement.

INFORMATION APPENDIX C

Maintenance Agreement and Classification Manual

MAINTENANCE AGREEMENT

Preamble

Whereas the parties agree to Section 5 of the Munroe Recommendations ("Munroe") and the Memorandum of Agreement on Job Evaluation Plan, the parties agree to the following Maintenance Agreement, including the Classification Manual ("this agreement").

1. Introduction

1.1 The purpose of this Maintenance Agreement is to provide a standard procedure for the description and classification of jobs and the evaluation of work in the Community Social Services Sector.

2. Coverage

2.1 The provisions of this agreement will apply to all work that is now or will come within the scope of the Community Social Services Sector Joint Job Evaluation Plan (JJEP).

2.2 This agreement will be subject to the dispute resolution process under Article 7 of this agreement.

3. Existing Rights

3.1 Without intending to create any new rights and obligations but only for greater certainty it is agreed that:

(a) Subject to the collective agreement and subject to the procedures of this agreement, the Employer has the right to organize its work in a manner that best suits its operational requirements and to establish new jobs and to change existing jobs.

(b) The Union has the right to enforce this agreement and in particular may ensure that:

(i) a job has been established in a proper manner under the terms of the collective agreement and this agreement;

(ii) a job description accurately describes the work required to be done;

(iii) the qualifications established by the Employer for a job are reasonable and relevant to the work required to be done;

(iv) a job is properly classified in relation to the benchmarks;

(v) unique jobs are properly identified and rated; and

(vi) a position is assigned to an appropriate job description.

(c) Where a conflict arises between the collective agreement and this agreement, the collective agreement will take precedence.

4. Benchmark Class Specifications and Joint Job Evaluation Plan

4.1 The benchmark class specifications (the "benchmarks") and the JJEP, in existence at the date of this agreement and agreed to by the parties and listed in Schedule A, will constitute the sole criteria for classifying work covered by the collective agreement. Except as provided for in Clause 7.7(d) of the Maintenance Agreement, no new benchmark will be introduced and no existing benchmark will be changed except by mutual agreement between CSSEA and the CSSBA. Neither party will withhold mutual agreement unreasonably.

4.2 Each benchmark will be rated using the JJEP and assigned to an appropriate classification grid, which will be deemed to comprise part of the benchmark.

5. Job Descriptions

5.1 The Employer will prepare job descriptions for all jobs for which the Union is the certified bargaining agent.

5.2 The Employer will have the right to determine the content of job descriptions subject to the requirements of this agreement and the collective agreement.

5.3 All job descriptions will include:

(a) job title

(b) benchmark to which the job has been classified

(c) point value rating and the rating rationale in the case of unique jobs

- (d) classification grid
 - (e) job summary
 - (f) listing of the typical job duties
 - (g) qualifications required by the Employer.
- 5.4 Each regular employee is entitled to a copy of the recognized job description for their position.
6. Classification of New Jobs and Changes to Existing Jobs
- 6.1 Where the Employer makes a material change to an existing job it will revise the job description. The completed job description will be forwarded to the designated union representative and CSSEA within 20 calendar days.
- 6.2 Where the Employer establishes a new job it will write a new job description. The completed job description will be forwarded to the designated union representative and CSSEA within 20 calendar days.
- 6.3 Where the Employer makes a material change to an existing job and the Employer has not revised the job description, the designated union representative or an employee may identify the change to the Employer, CSSEA, and the Union by submitting a classification review form. The Employer will provide a written response to the designated union representative and the employee within 20 calendar days. The designated union representative may refer the issue, including the classification of the job, to the Classification Arbitrator pursuant to the process outlined in Clauses 6.4 to 6.9.
- 6.4 Within 45 calendar days of receipt of a notice in accordance with Clause 6.1, 6.2, or 6.3 of the Maintenance Agreement, the designated union representative will notify the Employer and CSSEA in writing if they object to the job description and/or classification grid on the basis of Clause 3.1(b) of the agreement and the relevant provisions of the collective agreement. Notification will include specific details of the objection, and the resolution sought.
- 6.5 Where the designated union representative does not object, in writing, in accordance with Clause 6.4 of the Maintenance Agreement, the job description and classification will be deemed agreed.
- 6.6 Within 45 calendar days of the receipt of an objection under Clause 6.4 of the Maintenance Agreement, the Employer will review the objection and notify the designated union representative and CSSEA of its determination in writing.
- 6.7 If the Employer's written determination is not acceptable or not provided within the time limit, the designated union representative may, within a further period of 30 calendar days, notify CSSEA and the Employer of the intent to refer the dispute to a classification arbitrator for a final and binding decision in accordance with Article 7 of the Maintenance Agreement. Notification will include a written submission outlining the basis of the objection and the resolution sought.
- 6.8 Within 45 calendar days of receipt of notification of the intent to refer a dispute to a Classification Arbitrator for a final and binding decision, CSSEA, the Employer, and the designated union representative will attempt to resolve the dispute.
- 6.9 If the parties are unable to resolve the dispute, the designated union representative or CSSEA may refer the matter to a classification arbitrator for a final and binding decision. CSSEA and the designated union representative will, within 30 calendar days of the referral, submit an Agreed Statement of Facts to the Classification Arbitrator outlining the dispute and the issue(s) that are the subject of the dispute. If

the parties are unable to agree on an Agreed Statement of Facts each party will submit, to the Classification Arbitrator and to all parties to the dispute, a separate Statement of Facts outlining the dispute, and the issue(s) that are the subject of the dispute.

7. Dispute Resolution Process

7.1 The Classification Arbitrators Rick Coleman, John Hall and Julie Nichols have been mutually agreed to by CSSEA and the CSSBA. By mutual agreement between the parties another classification arbitrator may be named.

7.2 The parties will meet every month, or as often as required, to review outstanding matters.

7.3 CSSEA and the CSSBA will make every effort to agree to the expedited arbitration process to resolve disputes. The parties recognize that where the matter is precedential, results in the development of a new benchmark or where the parties are unable to agree, the matter will be resolved using a full arbitration process.

7.4 The expedited arbitration process will be governed by the following principles:

- (a) The location of the hearing will be agreed to by the parties.
- (b) Unless otherwise mutually agreed, each party will be limited to a four hour presentation.
- (c) The parties will utilize staff representatives of the Union and CSSEA to present cases, and will not utilize outside legal counsel.
- (d) The parties agree to make limited use of authorities during their presentations.
- (e) The decision of the Classification Arbitrator will be final and binding on both parties.
- (f) All decisions of the Classification Arbitrator are to be limited in application to the particular dispute and are without prejudice. Arbitration awards will be of no precedential value and will not thereafter be referred to by the parties in respect of any other matter. All settlements made prior to hearing will be without prejudice.

7.5 Within 45 calendar days of the receipt of an Agreed Statement of Facts or the separate Statements of Facts, the Classification Arbitrator will make every effort to hear the full or expedited arbitration and render a final and binding decision in writing.

7.6 The Classification Arbitrator will have sole jurisdiction and their jurisdiction will be limited to the application and interpretation of this agreement. Where there is an alleged violation of the collective agreement, the collective agreement grievance procedure will apply.

7.7 With respect to Classification of New Jobs and Changes to Existing Jobs, the decision of the Classification Arbitrator will be based upon the same criteria applicable to the parties themselves. The decision of the Classification Arbitrator will be limited to a direction that:

- (a) the position be assigned to another existing job description;
- (b) a new job description be prepared by the Employer that more accurately describes the type of duties, the overall scope and level of responsibility, and the required qualifications of the job;
- (c) except as outlined in Clause 7.7(d) of the Maintenance Agreement, the job be appropriately classified, provided that the Classification Arbitrator will not have jurisdiction to classify a job except within the existing benchmarks including the existing classification grids and wage rates;

(d) where the Classification Arbitrator concludes that a job does not conform to an existing benchmark, the Classification Arbitrator will notify CSSEA and the Union of their decision. CSSEA, the CSSBA and the Union will endeavour to establish an appropriate benchmark and benchmark point value rating for the job. If the parties agree that the job is a unique job, the parties will endeavour to rate the job using the JJEP. Failing mutual agreement by the parties, each party will make a submission within 30 calendar days to the Classification Arbitrator as to the appropriate benchmark, benchmark point value rating and/or unique job point value rating to be established. The Classification Arbitrator will establish a new benchmark or amend an existing benchmark or establish an appropriate point value rating in the case of unique jobs and the decision of the Classification Arbitrator will be binding on the parties. The Classification Arbitrator will also establish, through rating, an appropriate Classification grid and existing wage rate for the new or revised benchmark, with jurisdiction limited to existing classification grids and wage rates. The Classification Arbitrator will not have the jurisdiction to establish new wage rates or classification grids.

7.8 Arbitration hearings called by the Classification Arbitrator will have the same status as an arbitration pursuant to the collective agreement.

7.9 The fees and expenses of the Classification Arbitrator for expedited arbitration and arbitration hearings will be borne equally by the Employer and the Union.

8. Pay Adjustments

8.1 Where the rate of pay of a job is adjusted upward, the employee will be placed in the appropriate pay grid.

8.2 The effective date of pay rate adjustments is determined as follows:

(a) Where a pay rate adjustment occurs as a result of the application of Clause 6.3 initiated by the Union or the employee, the increase will take effect on the date the Employer receives the Classification Review Form identifying the issue from the Union or the employee.

(b) Where a pay rate adjustment occurs as a result of the Employer revising an existing job (Clause 6.1), or creating a new job (Clause 6.2), or negotiation or arbitration related to same, the adjustment will take effect on the first day an employee occupies the position after it was established or revised.

8.3 Where the rate of pay of a job is adjusted downward, the employee will continue to be paid at the employee's current rate of pay until the wage rate in the new job equals or exceeds it.

9. Definitions

(a) Position: a group of duties and responsibilities regularly assigned to one person. It may be occupied or vacant and may be created, changed, or deleted in order to meet operational requirements.

(b) Job: one or more positions performing essentially the same duties, similar scope and level of responsibility, and required qualifications covered by the same job description.

(c) Other Related Duties: the phrase "Other Related Duties" will include those additional duties related to the job and/or the operation of the organization that may be assigned to the employee.

(d) Unique Job: a unique job is a single job which does not match any existing benchmark because the job is uncommon in the Sector, or it involves a type of work not already included in the benchmarks,

or because it involves duties and responsibilities that are not essentially similar to an existing benchmark in terms of scope and level of responsibility.

- (e) CSSEA: the Community Social Services Employers' Association of British Columbia.
- (f) Employer: a community social service organization that is a member of CSSEA.
- (g) Union: a single union that is a member of the CSSBA.
- (h) CSSBA: Community Social Services Bargaining Association.

CLASSIFICATION MANUAL

1. Introduction

1.1 The Classification Manual, which forms part of the Maintenance Agreement, outlines the definitions, format and principles of classification to be followed in rating benchmark class specifications, hereafter called benchmarks, in matching jobs to the benchmarks, and in rating unique jobs.

2. Benchmarks

2.1 Benchmarks set forth the overall scope and level of responsibility and the typical duties by which jobs are distinguished and classified under the Classification System.

2.2 Benchmarks also set forth the level of qualifications appropriate for the scope and level of responsibility specified in the benchmark(s).

2.3 Benchmarks do not describe jobs. They are used to classify a wide diversity of jobs by identifying the scope and level of responsibilities.

2.4 Benchmarks are rated using the JJEP to establish their point value rating and relative value.

3. Format of Benchmarks

3.1 Job Families

All benchmarks are grouped together on the basis of closely related functional activities, fields of work, or occupations. Each of these groups is called a "job family". There are six job families in the Classification System:

- (a) Administrative, Finance and Technical
- (b) Counsellors and Consultants
- (c) Front Line Workers
- (d) Graduate Degrees & Licensed Professionals
- (e) Operation Support
- (f) Supervisors and Coordinators.

3.2 Benchmark Title

Each benchmark within a job family is identified by a benchmark title. For example (note: this is for illustrative purposes only):

Job Family: Administrative and Finance

Benchmark Title: Receptionist/General Office Clerk

Benchmark Title: Bookkeeper

3.3 Benchmark Duties

(a) The duties listed in a benchmark are a representative sampling of the functions being performed at the scope and level of responsibility that result in a job being classified at the benchmark level.

(b) The listing of typical duties identified on a benchmark is not intended to be exhaustive or all-encompassing. Job duties or responsibilities that are not specifically mentioned in the relevant benchmark are deemed to be encompassed by that benchmark if that job duty or responsibility is essentially similar to the benchmark in terms of scope and level of responsibility, as described in the job summary.

3.4 Benchmark Qualifications

(a) The qualifications set forth in a benchmark reflect the level of education and/or training and the experience appropriate to the scope and level of responsibility of the benchmark.

(b) The parties agree that different qualifications may be required for jobs that are matched to the same benchmark, or for different benchmarks matched to the same classification grid in order to meet the unique work organization in the Community Social Services Sector.

(c) Membership in a professional association or group is not a required qualification for any job under the Classification System unless required by legislation or regulation.

4. Unique Jobs

4.1 Job descriptions for unique jobs set forth the scope and level of responsibility, the duties and the appropriate level of qualifications for jobs which do not match any existing benchmark because the jobs are uncommon in the Sector, or they involve a type of work not already included in the benchmarks, or because they involve duties and responsibilities that are not essentially similar to an existing benchmark in terms of scope and level of responsibility.

4.2 Jobs which can be integrated are not considered unique jobs.

4.3 Unique jobs are rated using the JJEP to establish their point value rating and relative value.

5. Wage Rate

5.1 Each benchmark and unique job will be assigned to a Classification grid. Each Classification grid has a corresponding wage rate, which is listed in the collective agreement. For example (note: this is for illustrative purposes only):

Benchmark Title: Residence Worker Classification grid: 10

6. Principles of Classification

6.1 The JJEP is used to rate benchmarks and unique jobs and thereby establish their point value rating and relative value.

6.2 The purpose of benchmarks is to establish the means whereby jobs may be properly classified and distinguished. To that end a job should be classified on the basis of best fit according to the overall type of duties and scope and level of responsibilities which are performed to an extent material for a reasonable standard of job classification.

6.3 Unique jobs are rated using the JJEP and assigned to a classification grid in accordance with their point value rating.

6.4 Where the parties identify essentially similar duties and responsibilities for a group of unique jobs, a benchmark will be created.

6.5 Integrated Jobs: Where a job encompasses work in two or more benchmarks, and where it is administratively impractical to keep track or even identify when the incumbent is working within one or the other of the classifications, the job will be classified at the highest classification of the jobs being performed.

6.6 Special Licences and Certificates: Where the employee is required by the Employer to carry a special licence, certificate or qualification, they should be classified consistently with such licence, certification or qualification.

6.7 Incumbent employees in positions who do not possess the qualifications set out in the benchmark to which their jobs have been matched will continue to be so classified as long as they continue to occupy the jobs.

6.8 Jobs are classified only by comparison to the benchmarks and not by comparison to other jobs.

6.9 Throughout the whole process of evaluating jobs, it is the job that is evaluated and not the employee.

6.10 Layering Over: Supervisors and lead hands must be compensated at a rate higher than those they supervise or lead. Where this cannot be accomplished by classification to an existing benchmark, positions designated as layered over will be compensated at a rate of two additional grids above the highest position supervised for positions at pay grade 12 or below OR one additional grid for those positions at pay grade 13 or above. A supervisor or lead hand, for the purpose of this article, is defined as a worker who reviews, assigns and monitors the work of other assigned workers.
